### **SPECIAL MEETING OF SHAREHOLDERS**

**To Be Held December 8, 2025**

**The Proxy Statement is available at:** <https://proxyvotinginfo.com/p/nylifunds2025>

#### **Introduction**

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Trustees (“Board” or “Trustees”) of New York Life Investments Funds (“Trust”), a Massachusetts business trust, on behalf of the Funds, for a Special Meeting of shareholders of the Funds (with any postponements or adjournments, “Special Meeting”). The Special Meeting will be held on December 8, 2025, at 9:00 a.m., Eastern time, at the offices of New York Life Investment Management LLC (“New York Life Investments” or “Manager”), 51 Madison Avenue, New York, New York 10010. This Proxy Statement, the attached Notice of Special Meeting of Shareholders and the enclosed proxy card will be first distributed on or about October 22, 2025, to all shareholders of record of each Fund as of the close of business on September 26, 2025 (“Record Date”).

At the Special Meeting, and as described in this Proxy Statement, shareholders of the Funds will be asked to consider and approve the following proposals:

1. To elect four Trustees to the Board of Trustees of the Trust; and
2. To transact such other business as may properly come before the Special Meeting.

The Board has recommended that Proposal 1 (the “Proposal”) be presented to all shareholders of the Funds for their consideration and approval. Although the Trustees believe that the Proposal is in the best interests of each Fund, the final decision to approve the Proposal is up to you. After careful consideration, the Board recommends that you vote **FOR** the Proposal.

In addition, shareholders will be asked to consider and approve such other matters as may properly come before the Special Meeting. The Board knows of no matters that will be brought before the Special Meeting other than the Proposal.

Only shareholders who owned shares of any class of the Funds on the Record Date are entitled to vote at the Special Meeting. Each share of a Fund that you owned as of the Record Date entitles you to one (1) vote with respect to the Proposal and such other matters applicable to the Fund as may properly come before the Special Meeting. Ownership of a fractional share entitles you to a corresponding fractional vote.

It is important for you to vote on the Proposal described in this Proxy Statement. We recommend that you carefully read this Proxy Statement in its entirety as the explanations will help you to decide how to vote on the Proposal.

**PROPOSAL**  
**ELECTION OF TRUSTEES**  
**Affected Funds: All Funds**

**What are Shareholders Being Asked to Approve?**

The purpose of this Proposal is to elect four Trustees to the Board. At a Board meeting held on September 30, 2025, the current Trustees unanimously nominated the four persons described below for election as Trustees (each a “Nominee”). Two of the nominees also currently serve as Trustees.

Members of the Board’s Nominating and Governance Committee (the “Committee”) considered each Nominee’s qualifications in accordance with the Committee’s Charter (which can be found in Exhibit A) and recommended his or her nomination to the Board. Based on this recommendation, the Board nominated each of the Nominees to the Board.

**Why are Shareholders Being Asked to Elect Trustees Now?**

Although two of the Nominees currently serve as Trustees, they were not elected to their position by the shareholders of the Trust. Instead, these Trustees were appointed by the Board. The Trust’s Declaration of Trust does not provide for the annual election of Trustees. However, under the Investment Company Act of 1940, as amended (the “1940 Act”), at least two-thirds of the Trustees must have been elected by shareholders before the Board may fill any vacancy on the Board that may arise through an appointment and without the need for shareholder approval. Due to this requirement, the Trust is currently unable to add any additional Trustees without shareholder approval. By electing the two Nominees that currently serve as Trustees in addition to the new Trustee candidates, it will make it more likely that the Board will be able to add new members (consistent with the two-thirds requirement) in the future without the expense of conducting additional shareholder meetings. In addition, after considering, among other factors, the size and complexity of the Funds, the Board has determined that adding two new Independent Trustees to the Board is in the best interest of the Funds and their shareholders and that the Nominees who are not currently Trustees are qualified to serve as Independent Trustees on the Board.

All proxies will be voted in favor of the Nominees listed in this Proxy Statement unless a contrary indication is made. If, prior to the Special Meeting, any Nominee becomes unable to serve, the proxies that otherwise would have been voted for such Nominee will be voted for such substitute nominee as may be selected by the current Board.

## Who are the Nominees to the Board?

The table below lists the Nominees and current Trustees, their ages, current positions held with the Trust, length of time served, term of office, principal occupations during the last five years, number of funds currently overseen by the Nominee or Trustee, and other directorships held outside of the Trust (as applicable). A table with similar information concerning the officers of the Trust is also set forth below. The business address of each Nominee is 51 Madison Avenue, New York, New York 10010.

Nominees and Trustees who are not “interested persons” of the Trust (as that term is defined in the 1940 Act) are referred to herein as “Independent Trustees.” The Trustee who is deemed to be an “interested person” of the Trust under the 1940 Act is referred to as the “Interested Trustee.”

The Board oversees the Trust, New York Life Investments Funds Trust, New York Life Investments VP Funds Trust, NYLI MacKay DefinedTerm Muni Opportunities Fund, NYLI CBRE Global Infrastructure Megatrends Term Fund and NYLI MacKay Muni Income Opportunities Fund, the Manager and the subadvisors, and elects the officers of the Trust who are responsible for the day-to-day operations of the Trust.<sup>1</sup> Each Trustee serves until his or her successor is elected and qualified or until his or her resignation, death or removal. Officers are elected annually by the Board.

---

<sup>1</sup> New York Life Investments Funds and New York Life Investments Funds Trust may collectively be referred to as the “New York Life Investments Group of Funds”. New York Life Investments Group of Funds, New York Life Investments VP Funds Trust, NYLI MacKay DefinedTerm Muni Opportunities Fund, NYLI CBRE Global Infrastructure Megatrends Term Fund and NYLI MacKay Muni Income Opportunities Fund may collectively be referred to as the “Fund Complex”.

### **Compensation**

The following table reflects the compensation received by a Nominee and certain Trustees for the fiscal year ended October 31, 2024 from the Fund Complex. The Independent Trustees receive from the Fund Complex, either directly or indirectly, an annual retainer and a fee for each regularly scheduled Board meeting and associated Committee meetings attended and may receive fees for attending other Board meetings and associated Committee meetings on a case-by-case basis. The Chair of the Board is paid an additional annual fee. Trustees also are reimbursed for all out-of-pocket expenses related to attendance at Board and Committee meetings. Each fund in the Fund Complex pays a pro-rata share of these fees based on its net assets relative to the other funds in the Fund Complex as of the end of the relevant fiscal year.

## Board Structure and Leadership

The Board oversees the business and affairs of the Funds as well as key service providers to the Funds, including the services provided to the Funds by the Manager and Subadvisors. The Board holds regularly scheduled meetings on a quarterly basis and other special in meetings on a quarterly and/or an as needed basis. There are seven Trustees, six of whom are considered not to be “interested persons” (as that term is defined in the 1940 Act) of the Funds, the Manager or the Subadvisors (“Independent Trustees”) in accordance with rules adopted by the SEC.

The Board has elected an Independent Trustee to serve as its Chair. The Chair is responsible for setting the agendas of all regular and special Board meetings, assists in identifying the information to be presented to the Board with respect to matters to be acted upon by the Board and presides over all Board meetings. In between meetings, the Chair is responsible for communicating with other Trustees, Fund officers and personnel of the Manager and other service providers as necessary to enable the Board to carry out its primary responsibility of overseeing the Funds and their operations.

As discussed further below, the Board has established various Committees through which the Trustees focus on matters relating to particular aspects of the Funds’ operations, such as valuation of portfolio holdings, investments, risk oversight and compliance, Fund fees and expenses and financial

reporting. The Trustees periodically review the effectiveness of the Committee structure and each Committee's responsibilities and membership.

The Trustees believe that the Board's leadership and committee structure is appropriate in light of the nature and size of the Funds because, among other things, it fosters strong communication between the Board, its individual members, the Manager and other service providers, allocates responsibilities among the Committees and permits Committee members to focus on particular areas involving the Funds. In addition, the Committees support and promote the Independent Trustees in their oversight of the Funds' operations and their independent review of proposals made by the Manager.

### **Risk Oversight**

While responsibility for day-to-day risk management relating to the Funds and their operations resides with the Manager, Subadvisors or other service providers (subject to the supervision of the Manager), the Board actively performs a risk oversight function, both directly and through its Committees, as described below. The Board and its Committees exercise this function through regular and special Board and Committee meetings during which the Board and its Committees meet with representatives of the Manager, the Subadvisors and other key service providers. In addition, the Board has established an Operations Oversight Committee that has the responsibility of coordinating the Board's oversight of the implementation of the risk management and compliance programs of, and related to, the Funds. The Audit Committee also meets regularly with the Funds' independent registered public accounting firm and Principal Financial and Accounting Officer to discuss internal controls and financial reporting matters, among other things. Senior management of the Manager and senior officers of the Funds regularly report to the Board and the Committees on a variety of risk areas relating to the Funds, including, but not limited to, investment/portfolio risks (e.g., performance, compliance, counterparty, credit, liquidity and valuation risks) and operational/enterprise risks (e.g., financial, reputational, compliance, litigation, personnel and business continuity risks), as well as more general business risks. The Board reviews and considers, on an ongoing basis, these reports as well as reports on the Funds' performance, operations and investment practices. The Board also conducts reviews of the Manager in its role in managing the Funds' operations. In addition, the Board has engaged independent counsel to the Independent Trustees and consults with such counsel both during and between meetings of the Board and the Committees.

The Board and the Operations Oversight Committee also meet regularly with the Funds' Chief Compliance Officer ("CCO"), who reports directly to the Board. The CCO has responsibility for, among other things, testing the compliance procedures of the Funds and their service providers. The CCO

regularly discusses issues related to compliance and provides a quarterly report to the Board regarding the Funds' compliance program. In order to maintain a robust risk management and compliance program for the Funds, the Board and the Operations Oversight Committee also regularly review and consider for approval, as necessary, the Funds' compliance policies and procedures and updates to these procedures, as well as review and consider for approval the compliance policies and procedures of certain of the Funds' service providers to the extent that those policies and procedures relate to the operations of the Funds. In addition to the meetings with various parties to oversee the risk management of the Funds, the Board and its Committees also receive regular written reports from these and other parties which assist the Board and the Committees in exercising their risk oversight function.

The Board oversees the Funds' liquidity risk (defined by the SEC as the risk a Fund could not meet requests to redeem shares issued by the Fund without significant dilution of remaining investors' interests in the Fund) through, among other things, receiving periodic reporting and presentations by investment and other personnel of New York Life Investments and its affiliates. Additionally, as required by Rule 22e-4 under the 1940 Act, the Funds (other than the NYLI Money Market Fund) have implemented the Liquidity Program, which is reasonably designed to assess and manage the Funds' liquidity risk. The Board, including a majority of the Independent Trustees, approved the designation of New York Life Investments as the Liquidity Program's Administrator. The Board will review, no less frequently than annually, a written report prepared by the Liquidity Program's Administrator that addresses the operation of the Liquidity Program and assesses its adequacy and the effectiveness of its implementation.

The Board also benefits from other risk management resources and functions within the Manager's organization, such as the Manager's risk management personnel and the internal auditor of the Manager's parent company. For example, the Board and the Operations Oversight Committee meet periodically with the Manager's risk management personnel, including the Manager's Chief Risk Officer ("CRO"). The CRO is responsible for overseeing the measurement and monitoring of operational risks across the Manager's enterprise. In addition, the Board benefits from the work of the Manager's Risk Management Committee, which is comprised of senior personnel of the Manager and seeks to identify and address material risks within the Manager's businesses across its multi-boutique structure. The Board recognizes that it is not possible to identify all of the risks that may affect the Funds or to develop processes and controls to mitigate or eliminate all risks and their possible effects, and that it may be necessary to bear certain risks (such as investment risks) to achieve the Funds' investment objectives. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

## **Committees of the Board**

The Board oversees the Funds, the Manager and the Subadvisors. The committees of the Board include the Audit Committee, the Contracts Committee, the Investment Committee, the Nominating and Governance Committee and the Operations Oversight Committee.

***Audit Committee.*** The primary purposes of the Audit Committee are to oversee the Funds' processes for accounting, auditing, financial reporting and related internal controls and compliance with applicable laws and regulations. The members of the Audit Committee include Alan R. Latshaw (Chairman), Karen Hammond and Susan B. Kerley. The Audit Committee held 10 meetings during the fiscal year ended October 31, 2024.

***Contracts Committee.*** The primary purposes of the Contracts Committee are to assist the Board in overseeing contracts to which the Funds are, or are proposed to be, parties and to ensure that the interests of the Funds and their shareholders are served by the terms of these contracts. The Committee will oversee the process of evaluating new contracts, reviewing existing contracts on a periodic basis and may, at its discretion or at the request of the Board, make recommendations to the Board with respect to any contracts affecting the Funds. The members of the Contracts Committee include Karen Hammond (Chair), David H. Chow, Susan B. Kerley, Alan R. Latshaw, Jacques P. Perold and Richard S. Trutanic. The Contracts Committee held 5 meetings during the fiscal year ended October 31, 2024.

***Investment Committee.*** The primary purposes of the Investment Committee are to assist the Board in overseeing the portfolio management, performance and brokerage practices relating to the Funds and to consider any investment-related proposals that the Manager may make from time to time. The members of the Investment Committee include David H. Chow (Chairman), Karen Hammond, Susan B. Kerley, Alan R. Latshaw, Jacques P. Perold and Richard S. Trutanic. The Investment Committee held 10 meetings during the fiscal year ended October 31, 2024.

***Nominating and Governance Committee.*** The primary purposes of the Nominating and Governance Committee are to: (1) make recommendations to the Board with respect to the effectiveness of the Board in carrying out its responsibilities in governing the Funds and overseeing the management of the Funds; (2) make recommendations to the Board regarding (a) its size, structure and composition; (b) qualifications for Board membership; and (c) compensation for Trustees; (3) identify and recommend qualified individuals for Board membership and for the chairmanship of the Board;

(4) make recommendations to the Board with respect to the Board's committee structure, committee membership and chairmanship; and  
(5) oversee the self-assessment of the Board, its committees and its members. The members of the Nominating and Governance Committee include Richard S. Trutanic (Chairman), David H. Chow, Karen Hammond, Susan B. Kerley, Alan R. Latshaw and Jacques P. Perold.

The Nominating and Governance Committee has adopted Policies for Consideration of Trustee candidates (the "Candidate Policy"), which are formal policies on the consideration of Trustee candidates, including nominees recommended by shareholders. The Nominating and Governance Committee may solicit suggestions for nominations from any source that it deems appropriate, including independent consultants engaged specifically for such a purpose.

Shareholders or shareholder groups submitting candidates to the Nominating and Governance Committee must show that the candidate satisfies the Nominating and Governance Committee qualifications for submission, at the time of submitting the candidate to the attention of the Funds' Secretary, who will provide all qualified submissions to the Nominating and Governance Committee. This submission to the Secretary of the Funds must include:

- (a) contact information for the nominating shareholder or shareholder group;
- (b) a certification from the nominating shareholder or shareholder group which provides the number of shares for which the person or group has:
  - (i) sole power to vote or direct the vote;
  - (ii) shared power to vote or direct the vote;
  - (iii) sole power to dispose or direct the disposition of such shares; and
  - (iv) shared power to dispose or direct the disposition of such shares and
- (v) stating that the shares have been held continuously for at least two years as of the date of the nomination;
- (c) the candidate's contact information and the number of applicable Fund shares owned by the candidate;
- (d) all information regarding the candidate that would be required to be disclosed in solicitations of proxies for elections of directors required by Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"); and
- (e) a notarized letter executed by the candidate, stating his or her intention to serve as a candidate and be named in the Funds' proxy statement, if so designated by the Nominating and Governance Committee and the Board. It shall be in the Nominating and Governance Committee's sole discretion whether to seek corrections of a deficient submission or to exclude a candidate from consideration. The Nominating and Governance Committee held 6 meetings during the fiscal year ended October 31, 2024.

***Operations Oversight Committee.*** The primary purpose of the Operations Oversight Committee is to assist the Board in overseeing the policies,

procedures, practices and systems relating to identifying and managing the various risks and compliance matters that are or may be applicable to the Funds. The Operations Oversight Committee serves as the primary link between significant areas of risk management and compliance that may affect the Funds, the Manager and Subadvisors and other service providers to the Funds. The Operations Oversight Committee also oversees the implementation of the Funds' proxy voting policies and procedures, the implementation of the Funds' and New York Life Investments' valuation procedures and New York Life Investments as valuation designee in the performance of fair value determinations. The Operations Oversight Committee shall recognize the risk and compliance oversight roles of other committees of the Board, and shall defer to such other committees with respect to compliance or risk oversight matters that relate specifically to the purposes or responsibilities of such other committees. The Operations Oversight Committee shall not assume any day-to-day compliance or risk management functions or activities. The Funds' Manager, Subadvisors and other service providers ("Fund management") are responsible for the day-to-day implementation, maintenance, and administration of the compliance policies and procedures of the Funds that are required to be reasonably designed to ensure compliance by the Funds and their primary service providers with applicable federal securities laws. The Funds' CCO shall oversee Fund management's execution of its aforementioned compliance responsibilities. Fund management is responsible for the day-to-day implementation, maintenance and administration of policies, procedures, systems and practices designed to identify, monitor and control risks to which the Funds are or may be exposed. The CRO shall oversee Fund management's execution of its aforementioned risk management responsibilities. The members of the Operations Oversight Committee include: Susan B. Kerley (Chair), David H. Chow, Karen Hammond, Alan R. Latshaw, Jacques P. Perold and Richard S. Trutanic. The Operations Oversight Committee held 7 meetings during the fiscal year ended October 31, 2024.

It is expected that the compensation structure for the Trustees will not change as a result of the approval of the Proposal.

It is expected that the Board will meet at least quarterly at regularly scheduled meetings. During the fiscal year ended October 31, 2024, the Board met 6 times. Each current Trustee attended at least 75% of the meetings of the Board held during the last fiscal year, including the meetings of the Board's standing Committees on which such Trustee was a member. The Trust does not hold annual meetings, and therefore, the Board does not have a policy with regard to Board member attendance at such meetings.

## **Shareholder Approval**

The Nominees for election to the Board at the Special Meeting will be elected by a plurality of the total votes cast at the Special Meeting by the holders of shares present in person or by proxy and entitled to vote on such action. This Proposal applies on a Trust-wide basis, and all Funds and classes thereof will vote together on this Proposal. If elected, the two new Nominees would begin serving as Independent Trustees on the later of their date of election or January 1, 2026.

**BOARD RECOMMENDATION**  
**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR”**  
**THE ELECTION OF EACH OF THE NOMINEES TO THE BOARD**  
**OF THE TRUST**

**VOTING INFORMATION**

This Proxy Statement is being provided in connection with the solicitation of proxies by the Board to solicit your vote for the Proposal at the Special Meeting, which will be held on December 8, 2025, at 9:00 a.m. Eastern time, at the offices of New York Life Investments, 51 Madison Avenue, New York, New York 10010.

You may vote in one of four ways:

- Complete and sign the enclosed proxy card and mail it to us in the enclosed prepaid return envelope (if mailed in the United States);
- Vote on the Internet at the website address printed on your proxy ballot;
- Call the toll-free number printed on your proxy ballot; or
- Vote in-person at the Special Meeting.

*Please note, to vote via the Internet or telephone, you will need the “control number” that appears on your proxy card. Not all voting options may be available to you. Please see your proxy card for more details.*

You may revoke a proxy once it is given, as long as it is submitted within the voting period, by submitting a later-dated proxy or a written notice of revocation to the Funds. You may also give written notice of revocation in person at the Special Meeting. All properly executed proxies received in time for the Special Meeting will be voted as specified in the proxy, or, if no specification is made, **FOR** the Proposal.

Only shareholders of the Funds as of the close of business on the Record Date are entitled to receive notice of and to vote at the Special Meeting. Each share held as of the close of business on the Record Date is entitled to one vote. Ownership of a fractional share entitles you to a corresponding fractional vote. The presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the shares entitled to vote on the Record Date shall constitute a quorum. When a quorum is present, the Nominees for election to the Board at the Special Meeting will be elected by a plurality of the total votes cast at the Special Meeting by the holders of shares present in

person or by proxy and entitled to vote on such action. The Proposal applies on a Trust-wide basis, and all Funds and classes thereof will vote together on this Proposal.

The Special Meeting may be adjourned from time to time by vote of a majority of the shares represented at the Special Meeting in person or by proxy, whether or not a quorum is present, and the Special Meeting may be held as adjourned within a reasonable time after the original date set for the Special Meeting without further notice. The persons named as proxies will vote those shares that they are entitled to vote in favor of adjournment if adjournment is necessary to obtain a quorum or to obtain a favorable vote on any proposal. Business may be conducted once a quorum is present and may continue until adjournment of the Special Meeting. If the Special Meeting is adjourned to another time or place, notice need not be given of the adjourned Special Meeting at which the adjournment is taken, unless a new record date of the adjourned Special Meeting is fixed. At any adjourned Special Meeting, the Trust may transact any business which might have been transacted at the original Special Meeting. Although it is not expected that the Funds will receive abstentions and “broker non-votes” (i.e., shares held by brokers or nominees, typically in “street name,” as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), abstentions and broker non-votes will be treated as present for purposes of determining a quorum.

Abstentions and broker non-votes will have no effect on the results of the vote on the election of Trustees.

The individuals named as proxies on the enclosed proxy card will vote in accordance with the shareholder’s direction, as indicated thereon, if the proxy card is received and is properly executed. If a shareholder properly executes a proxy and gives no voting instructions with respect to the Proposal, the shares will be voted in favor of the Proposal.

The Board knows of no matters other than those described in this Proxy Statement that will be brought before the Special Meeting. If, however, any other matters properly come before the Special Meeting, it is the Board’s intention that proxies will be voted on such matters based on the judgment of the persons named in the enclosed form of proxy. The proxies, in their discretion, may vote upon such other matters as may properly come before the Special Meeting.

***Future Shareholder Proposals.*** A shareholder may request inclusion of certain proposals for action in the Trust's proxy statement and on the Trust's proxy card for shareholder meetings which the shareholder intends to introduce at such meeting. Any shareholder wishing to submit proposals for inclusion in a proxy statement for a subsequent shareholders' meeting should send their written proposals to the Trust at 51 Madison Avenue, New York, New York 10010. Any shareholder proposals must be presented within a reasonable time before the proxy materials for the next meeting are sent to shareholders to be considered for inclusion in the proxy materials. The timely submission of a proposal does not guarantee its inclusion in the proxy statement and is subject to limitations under the federal securities laws. The Trust is not required to hold regular meetings of shareholders, and to minimize its costs, does not intend to hold meetings of shareholders unless so required by applicable law, regulation, regulatory policy, or unless otherwise deemed advisable by the Board or the Trust's management. Therefore, it is not practicable to specify a date by which proposals must be received in order to be incorporated in an upcoming proxy statement for a meeting of shareholders.

***Solicitation Expenses and Other Expenses Related to the Special Meeting.*** 100% of the direct expenses relating to the Special Meeting, including the preparation, distribution, solicitation, and tabulation of the proxy and costs related to the necessary prospectus supplements, will be borne by the Funds. The proxy costs are estimated to be between \$1.3 million and \$1.45 million, which would impact each Fund's total annual fund operating expenses by less than 0.01%. The Trust has retained Sodali & Co., located at 430 Park Avenue, 14th Floor, New York, NY 10022, to provide proxy solicitation services in connection with the Special Meeting. Proxies will be solicited via regular mail and also may be solicited via telephone, e-mail or other personal contact by personnel of New York Life Investments, a Fund, their respective affiliates, or, in New York Life Investments' discretion, Sodali & Co. or another, a commercial firm retained for this purpose.

The Funds will reimburse upon request persons holding shares as nominees for their reasonable expenses in sending soliciting material to their principals.

### **NOMINATING AND GOVERNANCE COMMITTEE CHARTER**

#### **Formation**

The Board of Trustees (the “Board”) of each Fund has established a Nominating and Governance Committee (the “Committee”) of the Board of each Fund, subject to the terms and conditions of this Charter. The Committees of the Funds may meet and act jointly. This Charter is intended to govern the conduct of each Committee, as well as the Committees’ joint actions. References in this Charter to “Committee” are, as the context warrants, to each Committee or to the Committees acting jointly as a single body.

#### **Membership**

The Committee will be composed exclusively of Trustees of the Funds, each of whom shall not be an “interested person” of the Funds (as that term is defined in the Investment Company Act of 1940, as amended (“1940 Act”)) (“Independent Trustees”). The Committee will have at least three (3) members. The Board, upon the recommendation of the Nominating and Governance Committee, will select the members of the Committee and the chair of the Committee.

#### **Purposes**

The purposes of the Committee are to:

1. Make recommendations to the Board with respect to the effectiveness of the Board in carrying out its responsibilities in governing the Funds and overseeing the management of the Funds;
2. Make recommendations to the Board regarding (a) its size, structure and composition; (b) qualifications for Board membership; and (c) compensation for Trustees, including compensation for

nonrecurring projects or meetings or for interviewing and selecting new Independent Trustee nominees;

3. Identify and recommend qualified individuals for Board membership and for the chair of the Board;
4. Make recommendations to the Board with respect to the Board's committee structure, committee membership and chairs of the committees;
5. Make recommendations to the Board with respect to any policies or procedures governing the Trustees or Independent Trustees; and

2. from time to time, review and consider recommended changes to the Charters of other Committees of the Board, other than the Audit Committee, and, upon the recommendation of the Chair of the Committee, recommend such changes to the Board.

### **Size, Structure and Composition of the Board, Qualifications for Membership, and Policies and Procedures**

1. review periodically the size, structure and composition of the Board to determine the appropriate number of Trustees comprising the Board, the ratio of interested to Independent Trustees, the number and types of committees, the functions of the Funds' officers and the types of expertise and experience needed among the Trustees;

2. be involved in the orientation and training of new Trustees and continuing the education of all Trustees;
3. recommend to the Board with respect to revisions to policies and procedures that govern the Trustees or Independent Trustees, including, but not limited to: (i) the Board Service Policy; (ii) the Compensation and Chair Rotation Policy; (iii) the Fund Policy on Compensation of Independent Trustees of the Funds; (iv) the Fund Policy on Reimbursement of Expenses Incurred by each Trustee of the Funds; and (v) the Policy on Board Meetings and Participation During Unforeseen or Emergency Circumstances;
4. recommend to the Board the adoption of, or revisions to, any other policies or procedures that govern the Trustees or Independent Trustees; and
5. recommend to the Board with respect to the level and types of compensation for the Trustees. The Committee shall review such compensation arrangements annually or at such other times or intervals as it deems necessary or appropriate.

#### **Identification and Nomination of Candidates for Membership; Board Committees**

1. develop a list of possible candidates in the event of any vacancies on or additions to the Board;
2. evaluate the candidates' qualifications for such positions. In the case of candidates for Independent Trustee positions, persons nominated as Independent Trustees may not be "interested persons" of the Funds as that term is defined in the 1940 Act;

5. recommend the Board's committee structure, committee membership and chair for action by the Board.

### **Self-assessment of the Board and its Members**

1. The Committee shall recommend a plan and schedule to the Board for annual self-assessment by the Board, its committees and its individual members.

The Committee will hold, whether in person, telephonically or by videoconference, such regular or special meetings, pursuant to such notice and call as it may determine in its discretion. The Committee may also act by written consent to action without a meeting, as permitted by the Funds' organizational documents. The Committee may also meet jointly with one or more other committees of the Board as may be appropriate in the Committee's discretion. The Committee will prepare minutes for each meeting, and such minutes will be provided to the Board and maintained in the records of the Funds.

## **Limitation of Responsibilities**

Absent actual knowledge to the contrary, each Committee member is entitled to rely upon (1) the integrity and competence of those persons and organizations that render services to the Funds and from whom the Committee receives information or reports and (2) the accuracy and completeness (both at the time of presentation and on a continuing basis, as appropriate) of the information and reports provided to the Committee by such persons or organizations. Nothing in this Charter is intended to impose, or should be interpreted as imposing, on any member of the Committee any additional duties or responsibilities over and above those placed on the member in his or her capacity as a Trustee of the Funds under applicable federal and state law.

## **Review of Charter**

The Committee will review this Charter from time to time and recommend any changes it deems appropriate to the Board, upon recommendation of the Chair of the Committee. This Charter, including any amendments to it, will be maintained in the records of the Funds.
