More than 50% of Shareholders have Voted FOR the Proposals

BUT WE NEED 51%!

We are pleased to report that as of December 5, more than 50% of Invesco QQQ Trust, Series 1 (QQQ) shareholders have voted FOR the Proposals being brought to shareholders in a Special Shareholder Meeting for QQQ (the Meeting). Of the votes received, over 92% have been in favor of the Proposals. At least 51% of QQQ shares entitled to vote are necessary to approve the Proposals. Although we are exceptionally close to the needed vote total, to allow for additional time to get the vote, the Meeting has been adjourned until December 19, 2025 at 7:00 a.m. Central Time. Adjournments are typical for proposals like this, and your vote can help get these beneficial proposals across the finish line.

If you have already voted some or all of your shares – THANK YOU! Your votes are part of the tally and you will not need to do anything before the rescheduled Meeting.

Regardless of the number of shares you own, please Vote!
