

Join the shareholders modernizing QQQ

Over 50% of Invesco QQQ ETF shares have voted to cut expenses

BUT WE NEED 51%!

As of December 4, more than 50% of Invesco QQQ Trust, Series 1 (QQQ) shareholders have voted FOR Proposals that seek to modernize QQQ. Of the votes received, over 92% have been in favor of the Proposals. Your vote could help get the Proposals to pass at tomorrow's meeting, **but votes must be received before 9:00 a.m. CT tomorrow.**

QQQ is holding a Special Shareholder Meeting **tomorrow** and we need your vote to avoid adjourning the meeting to a later date. If the Proposals pass, QQQ will not need to continue the solicitation beyond the Meeting and all outreach will stop! If the Proposals do not pass, we expect the Meeting to be adjourned to Friday, December 19, 2025 at 7:00 a.m. Central Time, meaning two more weeks of outreach and solicitation. Stop the calls, texts and mail by **VOTING NOW!**

If you have already voted some or all of your shares – THANK YOU! Your votes are part of the tally and you will not need to revote, even if the Meeting adjourns to December 19.

Regardless of the number of shares you own, please Vote!
