

A QUICK FAVOR: PLEASE CAST YOUR VOTE

The Special Meeting has been adjourned to April 28, 2026.

Every vote matters even if you own just a few shares.

WHAT'S HAPPENING

Goldman Sachs has acquired Innovator Capital Management, the investment adviser to your ETF. Your ETF still needs to approve a new advisory agreement as part of this change. **Your vote is a simple way to help us keep your funds' management in place without interruption.**

NOTHING CHANGES ABOUT YOUR FUND

- ✓ Same investment strategy and objectives
- ✓ Same portfolio managers and advisory team
- ✓ Same management fees
- ✓ Same shares. Your holdings are not affected.

After careful review, the Board of Trustees unanimously recommends you vote **FOR**.

VOTE NOW. IT TAKES LESS THAN 2 MINUTES.

WHY YOUR VOTE MATTERS

Your vote is essential—the Special Meeting for your ETF has adjourned, which delays the reorganization of your fund and the additional resources Goldman Sachs intends to devote.

If you're still receiving mail or emails, it means at least one account in your household hasn't been voted yet. After all accounts are voted, all communications will stop within 1–2 business days.

If you haven't voted yet, please vote today—online, by phone, or by mail.

Sincerely,

H. Bruce Bond

Chief Executive Officer, Innovator Capital Management, LLC
