

## A QUICK FAVOR: PLEASE CAST YOUR VOTE

The Special Meeting has been adjourned to April 28, 2026.  
Every vote matters even if you own just a few shares.

### WHAT'S HAPPENING

Goldman Sachs has acquired Innovator Capital Management, the investment adviser to your ETF. Your ETF still needs to approve a new advisory agreement as part of this change. Your vote is a simple way to help us keep your funds' management in place without interruption.

### WHY YOUR VOTE MATTERS

Your vote is essential—the Special Meeting for your ETF has adjourned, which delays completion of the process and the additional resources Goldman Sachs intends to devote to your fund. Unfortunately, if the proposal is not approved, the Fund **may be required to liquidate**. If the Fund liquidates, it may result in a **taxable event** for shareholders which we are working to avoid.

#### NOTHING CHANGES ABOUT YOUR FUND

- ✓ Same investment strategy and objectives
- ✓ Same portfolio managers and advisory team
- ✓ Same management fees
- ✓ Same shares. Your holdings are not affected.

After careful review, the Board of Trustees unanimously recommends you vote **FOR**.
