April 14, 2025

Dear Shareholders:

We invite you to a Joint Special Meeting of Shareholders (the “Shareholder Meeting”) of the TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, TrueShares Active Yield ETF, The Opal Dividend Income ETF, RiverNorth Patriot ETF, and RiverNorth Enhanced Pre-Merger SPAC ETF (each, an “Existing Fund” and, collectively, the “Existing Funds”), each a series of Listed Funds Trust (“LiFT”), to be held telephonically at 10:00 a.m. Eastern Time on May 15, 2025.

As discussed in more detail in the enclosed Proxy Statement, at the Shareholder Meeting the shareholders of each Existing Fund will be asked to (i) consider and vote to approve an Agreement and Plan of Reorganization (the “Plan”) to reorganize the Existing Fund into a corresponding newly-created series (each, a “New Fund” and, collectively, the “New Funds”) of Elevation Series Trust (“EST”) (each, a “Reorganization” and, collectively, the “Reorganizations”), and (ii) transact such other business as may properly come before the Shareholder Meeting. If approved, the Reorganizations will result in (i) the transfer of all of the assets and liabilities of each Existing Fund to the corresponding New Fund in exchange for the number of shares of the New Fund equal to the number of shares of the Existing Fund then outstanding, (ii) the *pro rata* distribution of shares of each New Fund to shareholders of record of the corresponding Existing Fund as of the effective date of the Reorganization in full redemption of all shares of the Existing Fund, and (iii) the complete liquidation and termination of the Existing Fund. The New Funds would be managed by the Existing Funds’ current investment adviser, TrueMark Investments, LLC (the “Adviser”), and would continue to be managed on a day to day basis by each of their respective sub-advisers (Black Hill Capital Partners, LLC for TrueShares Technology, AI & Deep Learning ETF, Opal Capital LLC for The Opal Dividend Income ETF, Eagle Global Advisors LLC for TrueShares Eagle Global Renewable Energy Income ETF, Wealth Builder Funds LLC for TrueShares Active Yield ETF, and RiverNorth Capital Management LLC for RiverNorth Patriot ETF and RiverNorth Enhanced Pre-Merger SPAC ETF) (each, a “Sub-Adviser” and together, the “Sub-Advisers”). The investment objective, principal investment strategies, principal risks and policies of each New Fund would be the same as the investment objective, principal investment strategies, principal risks and policies of its corresponding Existing Fund. The portfolio managers of the Existing Funds also will serve as the portfolio managers for the New Funds.

Each New Fund was established solely for the purpose of acquiring the assets and liabilities of its corresponding Existing Fund and continuing the Existing Fund’s business. Subject to shareholder approval, on the closing date of a Reorganization, your Existing Fund shares will be exchanged for shares of equal value of its corresponding New Fund in complete liquidation of the Existing Fund, and you will no longer be a shareholder of an Existing Fund and will be a shareholder of the corresponding New Fund. Interests of shareholders will not be diluted as a result of the Reorganizations. If shareholders of an Existing Fund do not approve the Reorganization with respect to that Existing Fund, then the Existing Fund will not be reorganized into the New Fund and the LiFT board of trustees will consider what further actions to take with respect to that Existing Fund, which may include continuation or liquidation of the Existing Fund. Please note that approval of each Existing Fund’s Reorganization is not contingent upon

the approval of the other Existing Funds' Reorganizations. **Importantly, approval of the proposal is not expected to result in any increase in Fund fees or expenses.** The Adviser will pay all expenses incurred in connection with the Reorganizations, even if the Reorganizations are not approved by shareholders.

As stated above, if the Reorganizations are approved, the New Funds will be managed by the Adviser and each of the respective Sub-Advisers; however, the New Funds would be overseen by a different board of trustees and have certain different third-party service providers.

The Reorganizations are primarily being driven by the Adviser's pursuit of operational efficiencies and streamlined administration. By transitioning to an administrator that services other products managed by the Adviser, we anticipate the New Funds will benefit from improvements in the pricing of services and increased operating efficiencies. The consolidation of service providers is expected to create synergies, eliminate redundancies and mitigate operational risks. The Reorganizations align with the Adviser's commitment to enhancing shareholder value by potentially lowering costs and improving overall fund management effectiveness. Furthermore, the move is anticipated to facilitate more cohesive oversight and reporting across the Adviser's product lineup. Ultimately, the Adviser believes the Reorganizations will re-position each Existing Fund to better serve its shareholders through improved operational efficiency and risk management.

As an Existing Fund shareholder, you may choose to:

- maintain your current positions in an Existing Fund and receive shares of the corresponding New Fund on the date of the Existing Fund's Reorganization, or
- if you do not wish to receive shares of the corresponding New Fund, redeem your shares of the Existing Fund prior to the date of the Existing Fund's Reorganization.

The Proxy Statement provides greater detail regarding the New Funds, as well as on the mechanics of the Reorganizations and what to expect during and following the Reorganizations. Please take the time to carefully read the Proxy Statement and cast your vote.

YOUR VOTE IS IMPORTANT.

We believe the Reorganizations are in the best interests of each Existing Fund's shareholders and ask that you vote "FOR" the approval of the Plan to authorize the Reorganizations with respect to each Existing Fund.

Your vote is important no matter how many shares you own. Voting your shares early will avoid costly follow-up mail and telephone solicitation. After reviewing the attached materials, please complete, sign and date your proxy card and mail it promptly in the enclosed postage paid envelope. You may also vote online or by telephone by following the instructions provided on the proxy card, or in-person.

If you have any questions, please call Sodali & Co toll-free at 833-876-6804 and we will be glad to assist you.

Sincerely,

/s/ Michael N. Loukas

At the Shareholder Meeting, shareholders will be asked to vote on the following proposal with respect to each Existing Fund in which they own shares:

1. To approve an Agreement and Plan of Reorganization (the “Plan”), a copy of which is attached as Appendix A to the Proxy Statement, providing for the reorganization of:
 - a. TrueShares Technology, AI & Deep Learning ETF, a series of LiFT, into the TrueShares Technology, AI & Deep Learning ETF, a series of Elevation Series Trust (“EST”);
 - b. The Opal Dividend Income ETF, a series of LiFT, into The Opal Dividend Income ETF, a series of EST;
 - c. TrueShares Eagle Global Renewable Energy Income ETF, a series of LiFT, into the TrueShares Eagle Global Renewable Energy Income ETF, a series of EST;
 - d. TrueShares Active Yield ETF, a series of LiFT, into the TrueShares Active Yield ETF, a series of EST;
 - e. RiverNorth Patriot ETF, a series of LiFT, into the RiverNorth Patriot ETF, a series of EST;

2. To transact such other business as may properly come before the Shareholder Meeting.

THE BOARD OF TRUSTEES OF THE EXISTING FUNDS RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL.

The persons designated as proxies may use their discretionary authority to vote as instructed by management of the Existing Funds on any other proposals raised at the Shareholder Meeting to the extent permitted by the proxy rules of the U.S. Securities and Exchange Commission (the “SEC”), including proposals for which timely notice was not received, as set forth in the SEC’s proxy rules. Those present and the appointed proxies also will transact such other business, if any, as may properly come before the Shareholder Meeting or any adjournments or postponements thereof. Shareholders of record at the close of business on March 31, 2025, are entitled to notice of, and to vote at, the Shareholder Meeting and any adjournments or postponements thereof. If the necessary quorum to transact business or the vote required to approve any proposal is not obtained at the Shareholder Meeting, or if a quorum is obtained but sufficient votes required to approve the Plan are not obtained, the chairman of the Shareholder Meeting may adjourn the Shareholder Meeting one or more times to permit, in accordance with applicable law, further solicitation of proxies with respect to the proposal. Any shareholder meeting, whether or not a quorum is present, may be adjourned by the vote of the majority of the shares represented at that meeting, either in person or by proxy.

Shareholders are invited to attend the Shareholder Meeting telephonically. Any shareholder who does not expect to attend the Shareholder Meeting is urged to vote using the telephone or Internet voting instructions found below or indicate voting instructions on each enclosed proxy card, date and sign it, and return it in the envelope provided, which needs no postage if mailed in the United States. To avoid unnecessary calls to solicit your vote, we ask your cooperation in responding promptly, no matter how large or small your holdings may be.

By Order of the Board of Trustees,

/s/ Chad E. Fickett

Important Information to Help you Understand and Vote on the Proposal

Q & A: Questions and Answers

While we encourage you to read the full text of the enclosed Proxy Statement, here is a brief overview of the matter affecting you as a shareholder of an Existing Fund that requires your vote.

What is this Document and Why Did You Send it to Me?

The enclosed Proxy Statement is a proxy statement for the TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, TrueShares Active Yield ETF, The Opal Dividend Income ETF, RiverNorth Patriot ETF, and RiverNorth Enhanced Pre-Merger SPAC ETF (each, an “Existing Fund” and, together, the “Existing Funds”), each a series of Listed Funds Trust (“LiFT”), a Delaware statutory trust. The purposes of the Proxy Statement are to (1) solicit votes from shareholders of each Existing Fund on a proposal (the “Proposal”) to approve an Agreement and Plan of Reorganization (the “Plan”) between LiFT, on behalf of each Existing Fund, and Elevation Series Trust (“EST”), a Delaware statutory trust, on behalf of its newly-created TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, TrueShares Active Yield ETF, The Opal Dividend Income ETF, RiverNorth Patriot ETF, and RiverNorth Enhanced Pre-Merger SPAC ETF (each, a “New Fund” and, together, the “New Funds”), a form of which is appended to the Proxy Statement as Appendix A, and the transactions contemplated by the Plan, and (2) provide information regarding the New Funds. The approval of the Proposal by the shareholders of an Existing Fund is required to proceed with the Reorganizations (defined below) with respect to that Existing Fund.

What is the Purpose of the Reorganizations?

The primary purpose of the Reorganizations is to move the Existing Funds from LiFT to EST to take advantage of operational efficiencies and distribution support that come about from having all exchange-traded funds managed by the Adviser serviced by the same service providers. This may result in lower shareholder expenses over time.

TrueMark Investments, LLC (the “Adviser”), the investment adviser to each Existing Fund, has determined that by reorganizing the Existing Funds into EST (the “Reorganizations”), the Existing Funds and the Adviser may be able to achieve operational efficiencies and receive distribution support, which may, over time, result in lower expenses for the New Funds compared to the Existing Funds due to achieving economies of scale from a growth in assets. The consolidation of service providers is expected to create synergies, eliminate redundancies, and mitigate operational risks. The Reorganizations align with the Adviser’s commitment to enhancing shareholder value by potentially lowering costs and improving overall fund management effectiveness. Ultimately, the Adviser believes the Reorganizations will re-position each Existing Fund to better serve its shareholders through improved operational efficiency and risk management.

The Adviser for the Existing Funds will serve as investment adviser for the New Funds each of their respective sub-advisers will serve as sub-adviser for the New Funds (Black Hill Capital Partners, LLC for TrueShares Technology, AI & Deep Learning ETF, Opal Capital LLC for The Opal Dividend Income ETF, Eagle Global Advisors LLC for TrueShares Eagle Global Renewable Energy Income ETF, Wealth Builder Funds LLC for TrueShares Active Yield ETF, and RiverNorth Capital Management LLC for RiverNorth Patriot ETF and RiverNorth Enhanced Pre-Merger SPAC ETF) and the persons responsible for the day-to-day management of the New Funds will not change. Each Reorganization is expected to be

a tax-free reorganization for federal income tax purposes and, therefore, no gain or loss should be recognized by an Existing Fund or its shareholders as a result of a Reorganization.

The only changes that will occur as a result of the Reorganizations are that (1) the New Funds will be overseen by a different board of trustees, (2) the New Funds will have different officers, and (3) the New Funds will have certain different third-party service providers, as reflected in the following table:

<u>Service Provider</u>	<u>LiFT</u>	<u>EST</u>
Fund Accounting and Administration	U.S. Bancorp Fund Services, LLC	Paralel Technologies LLC
Transfer Agent	U.S. Bancorp Fund Services, LLC	State Street Bank and Trust Company
Distributor	Foreside Fund Services, LLC	Paralel Distributors LLC
Custodian	U.S. Bank National Association	State Street Bank and Trust Company
Legal Counsel	Morgan, Lewis & Bockius LLP	Thompson Hine LLP
Independent Registered Public Accounting Firm	Cohen & Company, Ltd.	Cohen & Company, Ltd.

How Will the Reorganizations Work?

Each Reorganization will involve three steps:

- 1 The transfer of all of the assets and liabilities of the Existing Fund to the corresponding New Fund in exchange for the number of shares of the New Fund equal to the number of shares of the Existing Fund then outstanding;
- 2 The *pro rata* distribution of shares of the New Fund to shareholders of record of the corresponding Existing Fund as of the effective date of the Reorganization in full redemption of all shares of the Existing Fund; and
- 3 The complete liquidation and termination of the Existing Fund.

The total value of New Fund shares that you receive in a Reorganization will be the same as the total value of the corresponding Existing Fund shares you held immediately before the Reorganization.

How Does the Board Suggest that I Vote?

After careful consideration, the Board of Trustees of LiFT (the “LiFT Board”) recommends that you vote “FOR” the Reorganization with respect to each Existing Fund in which you own shares. Please see the Proxy Statement for a discussion of the LiFT Board’s considerations in making its recommendations.

How Will Approval of the Reorganizations Affect the Operation of each Existing Fund?

Approval of the Reorganizations will not affect an Existing Fund’s investment objective, principal investment strategies, principal risks or policies. In fact, each New Fund’s investment objective, principal investment strategies, principal risks and policies are identical to those of the corresponding Existing Fund. The Adviser of the Existing Funds will serve as the investment adviser to the New Funds. The day-to-day investment management of the portfolio of each New Fund will be provided by the same portfolio manager that currently manages the Existing Funds. Further, it is anticipated that the gross and net

expenses of each New Fund will be the same or lower than the current gross and net expenses of the corresponding Existing Fund.

What Will Happen if a Reorganization is Not Approved?

Shareholders of each Existing Fund will vote separately on the applicable Reorganization. If the shareholders of an Existing Fund approve the Proposal but shareholders of another Existing Fund do not approve the Proposal, the Existing Fund that received shareholder approval will be reorganized into its corresponding New Fund. With respect to the Existing Fund that did not receive shareholder approval, the LiFT Board will consider other actions with respect to that Existing Fund, including, but not limited to, further solicitations of that Existing Fund's shareholders, continuing to operate that Existing Fund within LiFT, or liquidation of that Existing Fund.

Who is Paying the Expenses Related to the Shareholder Meeting and the Reorganizations?

The Adviser will be responsible for paying or facilitating the payment of the costs of the Reorganizations, including the payment of any costs associated with the Shareholder Meeting, the Proxy Statement, and soliciting proxies from shareholders, regardless of whether the Reorganizations are consummated.

Will My Vote Make a Difference?

Yes. Your vote is needed to ensure that the Proposal can be acted upon, and we encourage all shareholders to participate in the governance of their Existing Fund(s). Your immediate response will help prevent the need for any further solicitations for a shareholder vote. We encourage all shareholders to participate, including small investors. If other shareholders like you do not vote, the Existing Funds may not receive enough votes to go forward with the Shareholder Meeting. If this happens, the Reorganizations would be delayed, and we may need to solicit votes again, which increases costs.

How Do I Place My Vote?

You may provide LiFT with your vote by mail, via the Internet, or over the phone. You may use the enclosed postage-paid envelope to mail your proxy card. You may also vote by calling the toll-free number printed on your proxy ballot, via the Internet at the website address printed on your proxy ballot, or telephonically at the Shareholder Meeting.

Whom Do I Call If I Have Questions?

We are happy to answer your questions about this proxy solicitation. Please call 833-876-6804 Monday through Friday 10 a.m. to 11 p.m., Eastern time, with any questions about the proxy solicitation.

PROXY STATEMENT

SPECIAL MEETING OF SHAREHOLDERS

To Be Held May 15, 2025

The Notice of Meeting, Proxy Statement and accompanying form of proxy will be mailed to shareholders on or about April 15, 2025.

The LiFT Board has called the Shareholder Meeting to ask shareholders to vote on the following proposal (“Proposal”) with respect to each Existing Fund in which they own share:

1. To approve an Agreement and Plan of Reorganization (the “Plan”), a copy of which is attached as Appendix A to the Proxy Statement, providing for the reorganization of:

- a. TrueShares Technology, AI & Deep Learning ETF, a series of LiFT, into the TrueShares Technology, AI & Deep Learning ETF, a series of Elevation Series Trust (“EST”);
- b. The Opal Dividend Income ETF, a series of LiFT, into The Opal Dividend Income ETF, a series of EST;

- e. RiverNorth Patriot ETF, a series of LiFT, into the RiverNorth Patriot ETF, a series of EST;

- f. RiverNorth Enhanced Pre-Merger SPAC ETF, a series of LiFT, into the RiverNorth Enhanced Pre-Merger SPAC ETF, a series of EST (each series of EST a “New Fund” and collectively, the “New Funds”) (each, a “Reorganization” and, together, the “Reorganizations”); and
2. To transact such other business as may properly come before the Shareholder Meeting.

Only shareholders of record of an Existing Fund at the close of business on March 31, 2025 (the “Record Date”) are entitled to notice of, and to vote at, the Shareholder Meeting and any adjournments or postponements thereof. Shareholders who wish to participate in the meeting are welcome to do so. If you were a record holder of Existing Fund shares as of the record date, please e-mail Sodali & Co (“Sodali”) at Msfs-meetinginfo@morrowsodali.com no later than 11:59 p.m. Eastern Time on May 14, 2025 to register. Please include the Fund’s name in the subject line and provide your name and address in the body of the e-mail. Sodali will then e-mail you the dial in information and instructions for attending the Shareholder Meeting.

A copy of each Existing Fund’s most recent annual report and semi-annual report, including financial statements and schedules, are available at no charge by sending a written request to LiFT at 615 East Michigan Street, Milwaukee, Wisconsin 53202 or by calling 1-800-617-0004.

THE PROPOSAL: TO APPROVE AN AGREEMENT AND PLAN OF REORGANIZATION

Overview

At a meeting held on March 5, 2025, the LiFT Board, including a majority of the Trustees who are not “interested persons” (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”)) (the “Independent Trustees”), considered and unanimously approved, subject to shareholder approval, an Agreement and Plan of Reorganization (the “Plan”) substantially similar to the copy attached to this Proxy Statement as Appendix A. Under the Plan, each Existing Fund will assign all of its assets to the corresponding New Fund in exchange solely for (1) the number of the New Fund shares equivalent in value to shares of the relevant Existing Fund outstanding immediately prior to the Closing Date (as defined below), and (2) the New Fund’s assumption of all of the relevant Existing Fund’s liabilities, followed by a distribution of those shares to such Existing Fund’s shareholders so that the Existing Fund’s shareholders receive shares of the corresponding New Fund equivalent in value to the shares of the Existing Fund held by such shareholder on the closing date of the Reorganization, which is currently set to be on or about May 23, 2025 (the “Closing Date”). The Existing Funds and New Funds are sometimes referred to in this Proxy Statement as a “Fund.” Like LiFT, EST is an open-end investment company registered with the SEC.

If the Plan is approved by the shareholders of an Existing Fund, they will become shareholders of the corresponding New Fund. Each New Fund’s investment objectives, principal investment strategies principal risks and policies are identical to those of the corresponding Existing Fund. In addition, the current investment adviser to each Existing Fund, TrueMark Investments, LLC (the “Adviser”), will continue to serve as the investment adviser to each New Fund, and the current investment sub-advisers to each Existing Fund (Black Hill Capital Partners, LLC for TrueShares Technology, AI & Deep Learning ETF, Opal Capital LLC for The Opal Dividend Income ETF, Eagle Global Advisors LLC for TrueShares Eagle Global Renewable Energy Income ETF, Wealth Builder Funds LLC for TrueShares Active Yield ETF, and RiverNorth Capital Management LLC for RiverNorth Patriot ETF and RiverNorth Enhanced Pre-Merger SPAC ETF), will continue to serve as the investment sub-advisers to each New Fund.

Shareholders of each Existing Fund will vote separately on the applicable Reorganization. If the shareholders of one Existing Fund approve the Proposal but shareholders of another Existing Fund do not approve the Proposal, the Existing Fund that received shareholder approval will be reorganized into its corresponding New Fund. With respect to the Existing Fund that did not receive shareholder approval of the

Reorganization, the LiFT Board will consider other actions with respect to that Existing Fund, including, but not limited to, further solicitations of that Existing Fund’s shareholders, continuing to operate that Existing Fund within LiFT, or liquidation of that Existing Fund.

The LiFT Board is different than the board of trustees of EST (the “EST Board”). EST also has different officers than LiFT. In addition, certain third-party service providers of the Funds will change as shown in the table below. Therefore, the only changes that will occur as a result of the Reorganizations are: (1) the New Funds will be overseen by a different board of trustees, (2) the New Funds will have different officers, and (3) the New Funds will have certain different service providers.

<u>Service Provider</u>	<u>LiFT</u>	<u>EST</u>
Fund Accounting and Administration	U.S. Bancorp Fund Services, LLC	Paralel Technologies LLC
Transfer Agent	U.S. Bancorp Fund Services, LLC	State Street Bank and Trust Company
Distributor	Foreside Fund Services, LLC	Paralel Distributors LLC
Custodian	U.S. Bank National Association	State Street Bank and Trust Company
Legal Counsel	Morgan, Lewis & Bockius LLP	Thompson Hine LLP
Independent Registered Public Accounting Firm	Cohen & Company, Ltd.	Cohen & Company, Ltd.

Each Reorganization is expected to be a tax-free reorganization for federal income tax purposes and therefore no gain or loss should be recognized by an Existing Fund or its shareholders as a result of the Reorganization. The Adviser, and not the Existing or New Funds, will pay or facilitate the payment of the costs of each Reorganization, including any costs associated with the Shareholder Meeting, the Proxy Statement and soliciting proxies. If approved, the Reorganizations are expected to take effect on or about May 23, 2025, although the date may be adjusted in accordance with the Plan.

The Adviser and EST have received an exemptive order from the SEC which permits the Adviser to operate certain New Funds (TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, and TrueShares Active Yield ETF) under a “manager of managers” structure (the “Order”). The Order allows the Adviser to hire or replace a sub-adviser and modify any existing or future agreement with a sub-adviser, without obtaining shareholder approval. A shareholder vote would still be required to replace TrueMark with another investment adviser. LiFT and TrueMark do not have a similar exemptive order.

Reasons For the Reorganizations

The primary purpose of the Reorganizations is to move each Existing Fund from LiFT to EST in an attempt to gain operational efficiencies and streamlined administration. By transitioning to an administrator that services other products managed by the Adviser, we anticipate the New Funds will benefit from improvements in the pricing of services and increased operating efficiencies. The consolidation of service providers is expected to create synergies, eliminate redundancies and mitigate operational risks. The Reorganizations align with the Adviser’s commitment to enhancing shareholder value by potentially lowering costs and improving overall fund management effectiveness. Furthermore, the move is anticipated to facilitate more cohesive oversight and reporting across the Adviser’s product lineup. Ultimately, the Adviser believes the Reorganizations will re-position each Existing Fund to better serve its shareholders through improved operational efficiency and risk management.

Summary of Agreement and Plan of Reorganization

Below is a summary of the important terms of the Plan. This summary is qualified in its entirety by reference to the Plan itself, the form of which is set forth in Appendix A to this Proxy Statement, and which you are encouraged to read in its entirety.

The Plan provides that the number of shares to be issued by each New Fund in connection with its Reorganization will be the same as the number of shares owned by each of the corresponding Existing Fund's shareholders on the Closing Date. The Plan also provides that the NAV of shares of each New Fund will be the same as the NAV of shares of the relevant Existing Fund. The value of the assets to be transferred by each Existing Fund will be calculated at the time of the closing of the Reorganization.

Each Existing Fund will distribute the corresponding New Fund shares it receives in its Reorganization to its shareholders. Shareholders of record of an Existing Fund will be credited with shares of the corresponding New Fund having an aggregate value equal to the Existing Fund shares that the shareholder holds of record on the Closing Date.

The Plan may be terminated by resolution of the LiFT Board or EST Board on behalf of an Existing Fund or on behalf of a New Fund, respectively, under certain circumstances. Completion of each Reorganization is subject to numerous conditions set forth in the Plan. An important condition to closing is that each Existing Fund receive a tax opinion to the effect that the Reorganization will qualify as a "reorganization" under Section 368(a)(1)(F) of the Internal Revenue Code of 1986, as amended (the "Code"), subject to certain qualifications. As such, subject to such qualification, the Reorganization will not be taxable for such purposes to an Existing Fund, the corresponding New Fund or the Existing Fund's shareholders. See **"FEDERAL INCOME TAX CONSEQUENCES."** Each closing is also conditioned upon both the Existing Fund and the corresponding New Fund receiving the necessary documents to transfer the Existing Fund's assets and liabilities in exchange for shares of the corresponding New Fund.

LiFT Board Considerations

At a meeting held on March 5, 2025, the LiFT Board approved the proposed Reorganizations after reviewing detailed information regarding each Reorganization and its effect on the shareholders of each Existing Fund. The LiFT Board considered the following matters, among others, in approving the Proposal:

The Terms and Conditions of each Reorganization. The Board considered the terms of the Plan, noting that the transfer of the assets of each Existing Fund will be in exchange for shares of the corresponding New Fund and the New Fund's assumption of all liabilities of the Existing Fund. The Board also took note of the fact that no commission or other transaction fees would be imposed on the Existing Funds' shareholders in connection with the Reorganizations. In addition, the Board noted that pursuant to the Plan, each Existing Fund shareholder's account will be credited with a number of New Fund shares equal to the value of the Existing Fund shares that each shareholder holds immediately prior to its Reorganization and that the aggregate net asset value of New Fund shares to be credited to each Existing Fund shareholder's account will equal the aggregate net asset value of Existing Fund shares that each shareholder holds immediately prior to the Reorganization. As a result, the Board noted that the interests of the Existing Fund shareholders would not be diluted as a result of the Reorganizations. The Board also noted that the Reorganizations would be submitted to the Existing Funds' shareholders for approval.

Investment Objectives and Investment Strategies. The Board considered that the investment objective and principal investment strategies of each New Fund are the same as that of its corresponding Existing Fund. As such, the Board concluded that the Reorganizations would provide for continuity of investment for Existing Fund shareholders.

Relative Expense Ratios. The Board considered that each New Fund's management fee and estimated total annual fund operating expense ratio is expected to be the same as those of its corresponding Existing Fund and, therefore, the Existing Fund shareholders will not experience an increase in the cost of their investment in connection with the Reorganizations. The Board also noted that, like the Existing Funds, the New Funds will pay a unitary fee, meaning that the Adviser will be responsible for paying all New Fund expenses other than the advisory fee and certain excluded expenses, and that this unitary fee cannot be increased without New Fund shareholder approval. The Board noted further that the Existing Funds have not yet reached their break-even point, so the Adviser is still supporting the Existing Funds' operations in excess of the revenue collected from the unitary fee.

The Experience and Expertise of the New Funds' Adviser. The Board considered that the Adviser and each respective Sub-Adviser will continue to provide advisory services to the New Funds and that the portfolio managers for each Existing Fund would serve as the portfolio managers for the respective New Funds.

Expenses Relating to Reorganizations. The Board considered that the Existing Fund shareholders will not incur any expenses in connection with the Reorganizations. The Adviser will be responsible for paying or facilitating the payment of the costs of the Reorganizations, including the payment of any costs associated with soliciting proxies from shareholders.

Federal Income Tax Consequences. The Board considered the tax-free nature of each Reorganization.

Benefits to the Funds and Their Shareholders. The Board understood that, if the Reorganizations are completed, each Existing Fund will become a series of EST, which could result in improved operational efficiency and risk management and may, over time, result in lower expenses due to achieving economies of scale from a growth in assets, which would be beneficial to the New Funds and their shareholders.

Other Alternatives. The Board considered alternatives to the Reorganizations that were identified by the Adviser, including the liquidation of each Existing Fund. After considering the merits and viability of these other alternatives, the Board agreed with the assessment that the possible alternatives were less desirable than the Reorganizations.

Based on the foregoing, the Board determined that each Reorganization, as recommended by the Adviser, is in the best interests of each Existing Fund and its shareholders and that the interests of the Existing Fund shareholders will not be diluted as a result of the Reorganizations. The Board approved the Reorganizations, subject to approval by shareholders of each Existing Fund and the solicitation of the shareholders of the Existing Funds to vote **"FOR"** the approval of the Plan. The Board understood that if the Existing Fund shareholders do not approve the Reorganizations, the Existing Funds will remain series of LiFT and the Adviser will continue to serve as the investment adviser to the Existing Funds. These determinations were made on the basis of each Trustee's business judgment after consideration of all of the factors taken as a whole, though individual Trustees may have placed different weight on various factors and assigned different degrees of materiality to various conclusions.

The LiFT Board, including the Independent Trustees, unanimously recommends that shareholders of the Existing Funds approve the Plan and the Reorganizations.

COMPARISON OF THE EXISTING FUNDS AND THE NEW FUNDS

Each Existing Fund is a series of LiFT, a Delaware statutory trust, and each New Fund is a series of EST, also a Delaware statutory trust. Each New Fund has been created as a shell series of EST solely for the purpose of the proposed Reorganization. Set forth below is a comparison of each Existing Fund's and the corresponding New Fund's investment objectives, principal investment strategies, principal risks and policies, fees and expenses, third party service providers, shareholder information and certain other aspects of the Funds.

Investment Objectives, Principal Investment Strategies; Principal Risks; Policies

The investment objectives, principal investment strategies, principal risks and policies for each New Fund are identical to those of its corresponding Existing Fund. Set forth below is a summary of the investment objectives, principal investment strategies and principal risks of each Existing Fund and the corresponding New Fund. For detailed information about the principal investment strategies and risks of each Existing Fund, as well as its investment policies, see the current Prospectus and Statement of Additional Information for the Existing Funds (TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, The Opal Dividend Income ETF, RiverNorth Patriot ETF, and RiverNorth Enhanced Pre-Merger SPAC ETF and TrueShares Active Yield ETF), which are incorporated herein by reference. The current Prospectus also includes Financial Highlights for each Existing Fund for the fiscal years since its inception) showing information to help you understand each Existing Fund's financial performance.

The Reorganization will not result in (1) material changes to an Existing Fund's investment portfolio due to investment restrictions; or (2) material differences in accounting policies of an Existing Fund as compared to its corresponding New Fund, and therefore a schedule of investments modified to show the effect of the Reorganization has not been included.

The most recent Financial Statements for the Existing Funds can be found in the Existing Fund's most recent Annual Report for the period ended December 31, 2024 which are incorporated by reference and can be located on the SEC's website.

Each Existing Fund will be the accounting survivor for its corresponding New Fund.

Investment Restrictions

The New Funds will have the same investment restrictions as the Existing Funds, as set forth below. These restrictions may not be changed without the approval of a majority of the outstanding voting securities.

1. The TrueShares Technology, AI & Deep Learning ETF will concentrate its investments (*i.e.*, hold more than 25% of its total assets) in one or more industries within the Information Technology Sector.* For purposes of this limitation, securities of the U.S. government (including its agencies and instrumentalities), repurchase agreements collateralized by U.S. government securities, investment companies and tax-exempt securities of state or municipal governments and their political subdivisions are not considered to be issued by members of any industry.**
2. Each of The Opal Dividend Income ETF, RiverNorth Patriot ETF, RiverNorth Enhanced Pre-Merger SPAC ETF, and TrueShares Active Yield ETF will not concentrate its investments (*i.e.*, hold more than 25% of its total assets) in any industry or group of related industries. For purposes of this limitation, securities of the U.S. government (including its agencies and instrumentalities), registered investment companies, repurchase agreements collateralized by U.S. government securities, and securities of state or municipal governments and their political subdivisions are not considered to be issued by members of any industry.*
3. The Opal Dividend Income ETF will not, with respect to 75% of its total assets, (i) purchase securities of any issuer (except securities issued or guaranteed by the U.S. government, its agencies or instrumentalities or shares of investment companies) if, as a result, more than 5% of its total assets would be invested in the securities of such issuer, or (ii) acquire more than 10% of the outstanding voting securities of any one issuer.*
4. The TrueShares Eagle Global Renewable Energy Income ETF will not concentrate its investments (*i.e.*, hold more than 25% of its total assets) in any industry or group of related industries, except the Fund will concentrate in issuers in the Utilities Industry Group within the Utilities Sector, as classified by the Global Industry Classification Standard. For purposes of this limitation, securities of the U.S. government (including its agencies and instrumentalities), investment companies, repurchase agreements collateralized by U.S. government securities, and tax-exempt securities of state or

municipal governments and their political subdivisions are not considered to be issued by members of any industry.

5. The Funds will not borrow money or issue senior securities (as defined under the 1940 Act), except to the extent permitted under the 1940 Act.
6. The Funds will not make loans, except to the extent permitted under the 1940 Act.
7. The Funds will not purchase or sell real estate unless acquired as a result of ownership of securities or other instruments, except to the extent permitted under the 1940 Act. This shall not prevent the Funds from investing in securities or other instruments backed by real estate, real estate investment trusts or securities of companies engaged in the real estate business.
8. The Funds will not purchase or sell physical commodities unless acquired as a result of ownership of securities or other instruments, except to the extent permitted under the 1940 Act. This shall not prevent the Funds from purchasing or selling options and futures contracts or from investing in securities or other instruments backed by physical commodities.
9. The Funds will not underwrite securities issued by other persons, except to the extent permitted under the 1940 Act.

* For purposes of this policy, the issuer of the underlying security will be deemed to be the issuer of any respective depositary receipt.

** For purposes of this policy, each sector and industry is defined by the Global Industry Classification Standard, a widely recognized industry classification methodology developed by MSCI, Inc. and Standard & Poor's Financial Services LLC.

In addition to the investment restrictions adopted as fundamental policies as set forth above, the Funds observe the following non-fundamental restrictions, which may be changed without a shareholder vote upon 60 days' notice to shareholders.

1. Under normal circumstances, at least 80% of the TrueShares Technology, AI & Deep Learning ETF's net assets (plus borrowings for investment purposes) will be invested in the common stock of technology, artificial intelligence and/or deep learning companies.
2. Under normal circumstances, at least 80% of The Opal Dividend Income ETF's net assets (plus borrowings for investment purposes) will be invested in equity securities, including common stocks and ADRs.
3. Under normal circumstances, at least 80% of the TrueShares Eagle Global Renewable Energy Income ETF's net assets (plus the amount of any borrowings for investment purposes) will be invested in Renewable Energy Infrastructure Companies.
4. Under normal circumstances, at least 80% of the RiverNorth Enhanced Pre-Merger SPAC ETF's net assets (plus the amount of any borrowing for investment purposes) will be invested in Pre-Merger SPACs (along with the warrants or rights issued in connection with the IPOs of SPACs).

The following descriptions of certain provisions of the 1940 Act may assist investors in understanding the above policies and restrictions:

Borrowing. The 1940 Act presently allows a fund to borrow from any bank (including pledging, mortgaging or hypothecating assets) in an amount up to 33 1/3% of its total assets (not including temporary borrowings not in excess of 5% of its total assets).

Senior Securities. For purposes of fundamental policy no. 5 above, senior securities may include any obligation or instrument constituting a security issued by a Fund and evidencing indebtedness or a future payment obligation. The 1940 Act generally prohibits funds from issuing senior securities other than borrowing from a bank subject to specific asset coverage requirements. The 1940 Act prohibitions and restrictions on the issuance of senior securities are designed to protect shareholders from the potentially adverse effects of a fund's issuance of senior securities, including, in particular, the risks associated with excessive leverage of a fund's assets. Certain types of derivatives give rise to future payment obligations and therefore, also may be considered to be senior securities. Rule 18f-4 under the 1940 Act permits funds that comply with the conditions therein to enter into certain types of derivatives transactions notwithstanding the prohibitions and restrictions on the issuance of senior securities under the 1940 Act. To the extent consistent with its investment strategies, a Fund may invest in derivatives in compliance with the conditions set forth in Rule 18f-4 under the 1940 Act.

Lending. Under the 1940 Act, a fund may only make loans if expressly permitted by its investment policies.

Real Estate and Commodities. The 1940 Act does not directly restrict an investment company's ability to invest in real estate or commodities, but does require that every investment company have a fundamental investment policy governing such investments.

Underwriting. Under the 1940 Act, underwriting securities involves a fund purchasing securities directly from an issuer for the purpose of selling (distributing) them or participating in any such activity either directly or indirectly.

If a percentage limitation is adhered to at the time of investment or contract, a later increase or decrease in percentage resulting from any change in value or total or net assets will not result in a violation of such restriction, except that the percentage limitation with respect to the borrowing of money will be observed continuously.

Fees and Expenses

None of the Reorganizations are expected to result in an increase in shareholder fees paid by an Existing Fund's shareholders on shares acquired in the Reorganization or annual fund operating expenses. In fact, the annual operating expenses of each New Fund are expected to be identical to, or, in time, lower than the annual operating expenses of the relevant Existing Fund. The following is a comparison of the fee tables, along with the expense examples, of each Existing Fund and its corresponding New Fund:

Example: The Examples below are intended to help you compare the cost of investing in an Existing Fund and its corresponding New Fund with the cost of investing in other funds. The Examples assume that you invest \$10,000 in the applicable Fund for the time periods indicated and then redeem (or you hold) all of your shares at the end of those periods. The Examples also assume that your investment has a 5% return each year and each Fund's operating expenses remain the same. Although your actual costs may be higher or lower, based on these assumptions your costs would be:

Fund Capitalizations

The following tables set forth the unaudited capitalization of each Existing Fund and New Fund as of March 31, 2025 and the unaudited pro forma capitalization of the combined Existing Fund and New Fund as adjusted to give effect to the proposed Reorganization. The following are examples of the number of shares of each New Fund that are proposed to be exchanged for the shares of the corresponding Existing Fund if the Reorganization occurs and do not reflect the number of shares or value of shares that would actually be received if the Reorganization occurs. Pro forma numbers are estimated in good faith and are hypothetical. Pro forma numbers do not reflect any potential liquidation of shareholders associated with the Reorganization.

The information in the capitalization table above is for informational purposes only. There is no assurance the Reorganizations will be consummated. Moreover, if consummated, the capitalization of each Existing Fund and New Fund is likely to be different at the Closing Date as a result of daily share purchase and redemption activity in an Existing Fund. Accordingly, the foregoing should not be relied upon to reflect the number of shares of the New Fund that actually will be received on or after such date.

Fiscal Year

Each Existing Fund currently operates on a fiscal year ending December 31. Following the Reorganizations, each New Fund will assume the financial history of the Existing Fund and will operate on a fiscal year ending December 31.

Comparison of Valuation Procedures

Generally, the procedures by which EST intends to value the securities of each New Fund are substantially the same as the procedures used by LiFT to value the securities of each Existing Fund. In all cases where a price is not readily available and no other means are available for determining a price, both EST and LiFT turn to their fair value procedures for guidance. Applying EST's valuation policies after the Reorganizations to the New Funds is not expected to result in material differences in a New Fund's NAV compared to applying LiFT's valuation policies to an Existing Fund prior to the Reorganizations.

Distribution and Service (Rule 12b-1) Fees, Sales Charges, and Redemption Fees

The Existing Funds have adopted a distribution and service plan pursuant to Rule 12b-1 under the 1940 Act (the "12b-1 Plan"). In accordance with the 12b-1 Plan, each Fund is authorized to pay an amount up to 0.25% of its average daily net assets each year for certain distribution-related activities and shareholder services.

No Rule 12b-1 fees are currently paid by the Funds, and there are no plans to impose these fees. However, in the event Rule 12b-1 fees are charged in the future, because the fees are paid out of Fund assets, over time these fees will increase the cost of your investment and may cost you more than certain other types of sales charges.

The New Funds have not adopted a distribution and service plan pursuant to Rule 12b-1 and do not intend to do so.

MANAGEMENT

Investment Adviser

TrueMark Investments, LLC, subject to the authority of the LiFT Board, is responsible for the overall management and administration of the Existing Funds' business affairs. The Adviser commenced operations as an SEC registered investment adviser in January 2020 and its principal office is located at 433 W Van Buren, Suite 1100-D, Chicago, Illinois 60607. As of March 31, 2025, the Adviser had approximately \$960 million in assets under management.

TrueMark is controlled by TrueMark Group, LLC, which in turn is controlled by Michael Loukas. In 2025, RiverNorth Strategic Holdings (“RNSH”) is expected to exercise its option to convert outstanding debt of TrueMark into equity, becoming TrueMark’s controlling shareholder. The operating structure and key personnel of TrueMark are expected to remain the same following the transaction, except that RNSH will control TrueMark. The EST Board and each New Fund’s initial shareholder have approved the continuance of TrueMark as the Fund’s adviser pending the close of this transaction.

As compensation for the investment advisory services provided to the Existing Funds, the following table reflects the management fee paid by each Existing Fund to the Adviser, based on each Existing Fund’s average daily net assets:

Manager of Managers Structure

Section 15(a) of the 1940 Act requires that all contracts pursuant to which persons serve as investment advisers to investment companies be approved by shareholders. This requirement also applies to the appointment of sub-advisers to a fund.

The Adviser and the EST Board have received exemptive relief from the SEC (the “Order”), which permits the Adviser, subject to the approval of the EST Board, including the approval of the EST Trustees who are not interested persons of EST, as defined in the 1940 Act (the “Independent Trustees”), to hire, replace, and/or modify any existing or future sub-advisory agreement with sub-advisers (the “Manager-of-Managers Structure”). The Adviser, subject to the oversight of the EST Board, has the ultimate responsibility for overseeing a New Fund’s sub-advisers and recommending their hiring, termination and replacement. The Order also provides relief from certain disclosure obligations with regard to sub-advisory fees paid by the Adviser (not the New Funds). The Order is subject to various conditions, including that a New Fund will notify shareholders and provide them with certain information required by the exemptive order within 90 days of hiring a new sub-adviser. The sole initial shareholder of certain New Funds (TrueShares Eagle Global Renewable Energy Income ETF, TrueShares Technology, AI, & Deep Learning ETF, and TrueShares Active Yield ETF) has approved the applicable Fund’s operation under the Manager-of-Managers Structure as permitted by the Order.

The Manager-of-Managers Structure enables the EST Trust to operate with greater efficiency by not incurring the expense and delays associated with obtaining shareholder approvals for matters relating to sub-advisers or sub-advisory agreements. Operation of the New Funds under the Manager-of-Managers Structure does not permit management fees paid by a New Fund to the Adviser to be increased without shareholder

approval. Shareholders will be notified of any changes made to a sub-adviser or material changes to sub-advisory agreements within 90 days of the change.

LiFT and the Adviser do not have exemptive relief similar to the Order.

EST Leadership Structure and Oversight Responsibilities

The business of EST is managed under the direction of the EST Board in accordance with EST's Governing Documents, which have been filed with the SEC and are available upon request. The EST Board consists of three individuals, two of whom are not "interested persons" (as defined under the 1940 Act) of EST and the Adviser ("Independent Trustees"). Pursuant to the Governing Documents, the EST Board shall elect officers including a President, a Secretary, a Treasurer, and Chief Compliance Officer. The EST Board retains the power to conduct, operate and carry on the business of EST and has the power to incur and pay any expenses, which, in the opinion of the EST Board, are necessary or incidental to carry out any of EST's purposes. The EST Board, officers, employees and agents of EST, when acting in such capacities, shall not be subject to any personal liability except for his or her own bad faith, willful misfeasance, gross negligence or reckless disregard of his or her duties.

Board Leadership Structure. The EST Board is led by Bradley Swenson, who has served as the Chairman of the EST Board since 2022. The EST Board has appointed Steven Norgaard as Lead Independent Trustee. Under the Governing Documents, the Chairman shall preside at all meetings of the Trustees, shall be responsible for the execution of policies established by the Trustees and the administration of EST, and may be (but is not required to be) the chief executive, financial, and/or accounting officer of EST. EST believes that its Chairman, the independent chair of the Audit Committee, and, as an entity, the full EST Board, provide effective leadership that is in the best interests of EST, the funds in EST and each shareholder.

Board Risk Oversight. The EST Board maintains an Audit Committee with a separate chair and a Nominating Committee. The EST Board's role in risk oversight begins before the inception of a fund, at which time certain of the fund's service providers present the EST Board with information concerning the investment objective, strategies, and risks of the fund as well as proposed investment limitations for the fund. Additionally, the Adviser will provide the EST Board with an overview of, among other things, its investment philosophy, brokerage practices, and compliance infrastructure. Thereafter, the EST Board continues its oversight function as various personnel, including EST's Chief Compliance Officer and other service providers such as a fund's independent registered public accounting firm, make periodic reports to the Audit Committee or to the EST Board with respect to various aspects of risk management. The EST Board and the Audit Committee will oversee efforts by management and service providers to manage risks to which a fund may be exposed.

The EST Board is responsible for overseeing the nature, extent, and quality of the services provided to the funds in EST by its investment adviser and receives information about those services at its regular meetings. In addition, on an annual basis (following the initial two-year period), in connection with its consideration of whether to renew the Investment Advisory Agreement with the adviser, the EST Board or its designee may meet with the adviser to review such services. Among other things, the EST Board regularly consider the adviser's adherence to a fund's investment restrictions and compliance with various fund policies and procedures and with applicable securities regulations. The EST Board also reviews information about a fund's performance and the fund's investments, including, for example, portfolio holdings schedules.

EST's Chief Compliance Officer reports regularly to the EST Board to review and discuss compliance issues and fund and adviser risk assessments. At least annually, EST's Chief Compliance Officer provides the EST Board with a report reviewing the adequacy and effectiveness of EST's policies and procedures and those of its service providers, including a fund's adviser. The report addresses the operation of the policies and procedures of EST and each service provider since the date of the last report; any material

changes to the policies and procedures since the date of the last report; any recommendations for material changes to the policies and procedures; and any material compliance matters since the date of the last report.

The EST Board receives reports from each fund's service providers regarding operational risks and risks related to the valuation and liquidity of portfolio securities. Annually, each fund's independent registered public accounting firm reviews with the Audit Committee its audit of each fund's financial statements, focusing on major areas of risk encountered by the funds and noting any significant deficiencies or material weaknesses in each fund's internal controls. Additionally, in connection with its oversight function, the EST Board oversees each fund management's implementation of disclosure controls and procedures, which are designed to ensure that information required to be disclosed by EST in its periodic reports with the SEC are recorded, processed, summarized, and reported within the required time periods. The EST Board also oversees EST's internal controls over financial reporting, which comprise policies and procedures designed to provide reasonable assurance regarding the reliability of EST's financial reporting and the preparation of EST's financial statements.

From their review of these reports and discussions with a fund's adviser, the Chief Compliance Officer, independent registered public accounting firm and other service providers, the EST Board and the Audit Committee learn in detail about the material risks of a fund, thereby facilitating a dialogue about how management and service providers identify and mitigate those risks.

The EST Board recognizes that not all risks that may affect a fund can be identified and/or quantified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve each fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the EST Board as to risk management matters are typically summaries of the relevant information. Most of each fund's investment management and business affairs are carried out by or through the fund's adviser and other service providers, each of which has an independent interest in risk management but whose policies and the methods by which one or more risk management functions are carried out may differ from the funds' and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the EST Board's ability to monitor and manage risk, as a practical matter, is subject to limitations.

EST Board Committees

Audit Committee. The EST Board has a standing Audit Committee that is composed of each of the Independent Trustees of EST. The Audit Committee operates under a written charter approved by the EST Board. The principal responsibilities of the Audit Committee include: recommending which firm to engage as the funds' independent registered public accounting firm and whether to terminate this relationship; reviewing the independent registered public accounting firm's compensation, the proposed scope and terms of its engagement, and the firm's independence; pre-approving audit and non-audit services provided by the funds' independent registered public accounting firm to EST and certain other affiliated entities; serving as a channel of communication between the independent registered public accounting firm and the Trustees; reviewing the results of each external audit, including any qualifications in the independent registered public accounting firm's opinion, any related management letter, management's responses to recommendations made by the independent registered public accounting firm in connection with the audit, reports submitted to the Committee by the internal auditing department of EST's Administrator that are material to EST as a whole, if any, and management's responses to any such reports; reviewing the funds' audited financial statements and considering any significant disputes between EST's management and the independent registered public accounting firm that arose in connection with the preparation of those financial statements; considering, in consultation with the independent registered public accounting firm and EST's senior internal accounting executive, if any, the independent registered public accounting firms' report on the adequacy of EST's internal financial controls; reviewing, in consultation with the funds' independent registered public

accounting firm, major changes regarding auditing and accounting principles and practices to be followed when preparing the funds' financial statements; and other audit related matters.

The Audit Committee also serves as the Qualified Legal Compliance Committee ("QLCC") for EST for the purpose of compliance with Rules 205.2(k) and 205.3(c) of the Code of Federal Regulations, regarding alternative reporting procedures for attorneys retained or employed by an issuer who appear and practice before the SEC on behalf of the issuer (the "issuer attorneys"). An issuer attorney who becomes aware of evidence of a material violation by EST, or by any officer, director, employee, or agent of EST, may report evidence of such material violation to the QLCC as an alternative to the reporting requirements of Rule 205.3(b) (which requires reporting to the chief legal officer and potentially "up the ladder" to other entities). Ms. Storms is the Chairman of the Audit Committee.

Nominating Committee. The EST Board has a standing Nominating Committee that is composed of each of the Independent Trustees of EST. The Nominating Committee operates under a written charter approved by the EST Board. The principal responsibility of the Nominating Committee is to consider, recommend and nominate candidates to fill vacancies on the EST Board, if any. The Nominating Committee generally will not consider nominees recommended by shareholders. The Nominating Committee meets periodically, as necessary.

Comparison of Trustees' Fees

The Existing Funds

Each Independent Trustee receives an annual stipend of \$125,000 (prior to January 1, 2025, \$110,000) and reimbursement for all reasonable travel expenses relating to their attendance at LiFT Board meetings. The chair of the Audit Committee receives an annual stipend of \$5,000 and the chair of the Nominating and Governance Committee receives an annual stipend of \$2,500. The Interested Trustee is not compensated for his service as a Trustee. Pursuant to the Advisory Agreement, the Adviser has agreed to pay all expenses of the Funds, except those specified in the Funds' Prospectus. As a result, the Adviser is responsible for compensating the Independent Trustees. Trustee compensation disclosed in the table does not include reimbursed reasonable travel expenses relating to their attendance at LiFT Board meetings. The following table shows the compensation earned by each member of the LiFT Board during the fiscal year ended December 31, 2024.

FEDERAL INCOME TAX CONSEQUENCES

As an unwaivable condition of each Reorganization, LiFT and EST will receive an opinion of counsel to EST to the effect that the Reorganization will qualify as a tax-free reorganization for federal income tax purposes under Section 368(a)(1)(F) of the Code, subject to customary assumptions and such representations as tax counsel may reasonably request of the Funds.

Each Existing Fund believes that, since inception, it has qualified for treatment as a "regulated investment company" under the Code and believes that it has been, and expects to continue to be, relieved of federal income tax liability on its net investment income and net gains distributed to its shareholders. Each New Fund expects to operate on a fiscal and taxable year ended December 31 of each year, which is a continuation of the relevant Existing Fund's taxable year ending December 31 of each year.

Subject to the exceptions set forth below, provided that each Reorganization qualifies as a tax-free reorganization under Code Section 368(a), then for U.S. federal income tax purposes, generally, for each Reorganization:

- No gain or loss will be recognized by the Existing Fund upon the transfer of the Existing Fund's assets to the New Fund solely in exchange for Existing Fund shares and the assumption by the New Fund of the Existing Fund's liabilities or upon the distribution of the New Fund's shares to the Existing Fund shareholders in exchange for their Existing Fund shares;
- No gain or loss will be recognized by the Existing Fund shareholders upon the exchange of their Existing Fund shares for New Fund Shares in complete liquidation of the Existing Fund pursuant to the Reorganization.
- No gain or loss will be recognized by the New Fund upon the receipt of the Existing Fund's assets solely in exchange for the New Fund shares and the New Fund's assumption of the Existing Fund's liabilities;
- The adjusted tax basis in the Existing Fund's assets will be the same as the adjusted basis of such assets to the Existing Fund immediately prior to the Reorganization;
- The holding period of each of the assets of the Existing Fund in the hands of the New Fund will include the period during which those assets were held by the Existing Fund (except where the New Fund's investment activities have the effect of reducing or eliminating an asset's holding period).

- The aggregate adjusted basis of the Existing Fund shares received by the New Fund shareholder pursuant to the Reorganization will be the same as the aggregate adjusted basis of the Existing Fund shares held by such shareholder immediately prior to the Reorganization;
- The holding period of the New Fund share received by the Existing Fund shareholder will include the period during which the Existing Fund shares exchanged therefor were held by such shareholder (provided the Existing Fund shares were held as capital assets on the date of the Reorganization); and
- The New Fund will succeed to and take into account the items of the Existing Fund described in Section 381(c) of the Code, subject to the conditions and limitations specified in Sections 381, 382, 383 and 384 of the Code and the Treasury Regulations thereunder. In particular, the New Fund will be treated for purposes of Section 381 of the Code just as the Existing Fund would have been treated if there had been no Reorganization, the tax attributes of the Existing Fund enumerated in Section 381(c) of the Code shall be taken into account by the New Fund as if there had been no Reorganization, and the taxable year of the Existing Fund will not end on the date of the Reorganization merely because of the closing of the Reorganization.

No opinion will be obtained, and no assurance will be provided, as to: (i) whether either the Existing Fund or the New Fund qualifies or will qualify as a regulated investment company; (ii) the federal income tax consequences of the payment of Reorganization expenses by the Adviser, except in relation to the qualification of the Reorganization as a reorganization under Section 368(a) of the Code; (iii) whether any federal income tax will be imposed or required to be withheld under the Foreign Investment in Real Property Tax Act of 1980 with respect to any Existing Fund shareholder that is a foreign person; (iv) the effect of the Reorganization on the Existing Fund with respect to any transferred asset as to which unrealized gain or loss is required to be recognized for federal income tax purposes under a mark-to-market system of accounting (including under Section 1256 of the Code); (v) the effect of the Reorganization on any shareholder of the Existing Fund that is required to recognize unrealized gains or losses for federal income tax purposes under a mark-to-market system of accounting. ; (vi) whether accrued market discount, if any, on any market discount bonds held by the Existing Fund will be required to be recognized as ordinary income under Section 1276 of the Code as a result of the Reorganization; (vii) whether any gain or loss will be required to be recognized with respect to any asset that constitutes stock in a passive foreign investment company (within the meaning of Section 1297(a) of the Code); and (viii) any state, local or foreign tax consequences of the Reorganization. Although LiFT is not aware of any adverse state income tax consequences, it has not made any investigation as to those consequences for the shareholders.

If any of the representations or assumptions on which the opinion of counsel to EST relies is inaccurate, the tax consequences of the transaction could differ materially from those summarized above. Furthermore, the opinion of counsel to EST concerning tax consequences of the Reorganization will neither bind the IRS, nor preclude the IRS or the courts from adopting a contrary position.

Shareholders are urged to consult their own tax advisers as to the specific tax consequences to them under the federal income tax laws, as well as any consequences under other applicable state or local or foreign tax laws given each shareholder's particular tax circumstances.

Participation in the Shareholder Meeting and Revocation of Proxies

If you wish to participate in the Shareholder Meeting you may submit the proxy card included with this Proxy Statement or attend telephonically. Your vote is important no matter how many shares you own. You may vote in one of the following ways:

- Complete and sign the enclosed proxy card and mail it to us in the enclosed prepaid return envelope (if mailed in the United States);
- Vote on the Internet at the website address printed on your proxy ballot; or
- Call the toll-free number printed on your proxy ballot.

Each proxy solicited by the LiFT Board which is properly executed and returned in time to be voted at the Shareholder Meeting will be voted at the Shareholder Meeting in accordance with the instructions on the proxy. Any proxy may be revoked at any time prior to its use by written notification received by LiFT's Secretary, by the execution and delivery of a later-dated proxy, or by attending the Shareholder Meeting and voting at that time. Any letter of revocation or later-dated proxy must be received by the Existing Funds prior to the Shareholder Meeting and must indicate your name and account number to be effective. Proxies voted by telephone or Internet may be revoked at any time before they are voted at the Shareholder Meeting in the same manner that proxies voted by mail may be revoked.

The Existing Funds understand that the New York Stock Exchange (the "NYSE") has taken the position that broker-dealers that are members of the NYSE and that have not received instructions from a customer prior to the date specified in the broker-dealer firms' request for voting instructions may not vote such customer's shares on a reorganization. Therefore, NYSE broker-dealers that have not received customer instructions will not be permitted to vote customer shares with respect to the Reorganizations. A signed proxy card or other authorization by a beneficial owner of each Existing Fund's shares that does not specify how the beneficial owner's shares are to be voted on the Proposal may be deemed to be an instruction to vote such shares in favor of the Proposal.

Abstentions will be counted as present for purposes of determining whether a quorum is present. Abstentions will be disregarded in determining the "votes cast" on the Proposal, and therefore, will have the effect of a vote against the Proposal.

Other Business

The LiFT Board does not intend to bring any matters before the Shareholder Meeting other than the Proposal described in this Proxy Statement, and the LiFT Board is not aware of any other matters to be brought before the Shareholder Meeting by others. Because matters not known at the time of the solicitation may come before the Shareholder Meeting, the proxy as solicited confers discretionary authority with respect to such matters as properly come before the Shareholder Meeting, including any adjournment(s) or postponement(s) thereof, and it is the intention of the persons named as attorneys-in-fact in the proxy (or their substitutes) to vote the proxy in accordance with their judgment on such matters.

Submission of Certain Shareholder Proposals

LiFT's Agreement and Declaration of Trust, as amended, and the Amended and Restated By-laws do not provide for annual meetings of shareholders, and LiFT does not currently intend to hold such meetings in the future. Shareholder proposals for inclusion in a proxy statement for any subsequent meeting of LiFT's shareholders must be received by LiFT in a reasonable period of time prior to any such meeting.

Quorum; Adjournment

Each Existing Fund must have a quorum of shares represented at the Shareholder Meeting, in person or by proxy, to take action on any matter relating to the Existing Fund. Under LiFT's Agreement and Declaration of Trust, as amended, a quorum is constituted by the presence in person or by proxy of at least one-third of the outstanding shares of a fund entitled to vote at the Shareholder Meeting.

If a quorum is not present at the Shareholder Meeting, or a quorum is present at the Shareholder Meeting but sufficient votes to approve the Proposal are not received, the chairman of the Shareholder Meeting or the holders of a majority of an Existing Fund's shares present at the Shareholder Meeting, in person or by proxy, may postpone or adjourn the Shareholder Meeting with respect to such Proposal and such Existing Fund to permit the further solicitation of proxies.

Vote Required

Approval of a Reorganization will require the affirmative vote of a majority of the shares voted in person (physically or via remote communication) or by proxy of that Existing Fund. The vote for each Reorganization will be at the fund level, meaning that shareholders of each Existing Fund will vote separately.

To assure the presence of a quorum at the Shareholder Meeting (which will allow for the transaction of business) and to help assure that your vote is noted, please promptly execute and return the enclosed proxy. A self-addressed, postage-paid envelope is enclosed for your convenience. Alternatively, you may vote by telephone or through the Internet at the number or website address printed on the enclosed proxy card(s).

Should shareholders require additional information regarding the proxy or replacement proxy cards, they may contact Sodali toll-free at 833-876-6804. Representatives will be available Monday through Friday 10 a.m. to 11 p.m., Eastern time.

Solicitation of Shareholder Vote

The LiFT Board is making this solicitation of proxies. LiFT has engaged, at the Adviser's expense, Sodali & Co, located at 430 Park Avenue, 14th Floor, New York, NY 10022, to serve as proxy solicitor. The estimated fees anticipated to be paid to Sodali & Co are approximately \$12,000. The Adviser will pay or facilitate the payment of the costs of preparing and mailing this Proxy Statement, the accompanying Notice of Shareholder Meeting and proxy and any additional materials relating to the Shareholder Meeting and the cost of soliciting proxies. In addition to solicitation by mail, LiFT will request banks, brokers and other custodial nominees and fiduciaries, to supply proxy materials to the respective beneficial owners of shares of each of the Existing Funds of whom they have knowledge, and the Adviser will reimburse them or cause them to be reimbursed for their expenses in so doing. Certain officers, employees and agents of LiFT and the Adviser may solicit proxies in person or by telephone, facsimile transmission, or mail, for which they will not receive any special compensation.

Householding

In certain circumstances, only one copy of this Proxy Statement may be mailed to each household, even if more than one person in the household is an Existing Fund shareholder, unless the Existing Fund has received contrary instructions from one or more of the household's shareholders. If a shareholder needs an additional copy of this Proxy Statement, would like to receive separate copies in the future, or would like to request delivery of a single copy to shareholders sharing an address, please call 1-800-617-0004 or write to the Funds, c/o U.S. Bank Global Fund Services at 615 East Michigan Street, Milwaukee, Wisconsin 53202.

REMEMBER — YOUR VOTE COUNTS EVEN IF YOU HAVE SOLD YOUR SHARES BETWEEN THE RECORD DATE AND THE DATE OF THE SHAREHOLDER MEETING!

Your vote is extremely important, even if you only own a few of an Existing Fund's shares. The Shareholder Meeting will have to be postponed or adjourned without conducting any business if a sufficient number of shares of an Existing Fund entitled to vote in person or by proxy at the Shareholder Meeting are not represented at the Shareholder Meeting. In that event, an Existing Fund would continue to solicit votes for a certain period of time in an attempt to achieve a quorum. Your vote could be critical in allowing an Existing

Fund to hold the Shareholder Meeting as scheduled, so please return your proxy card immediately or vote by Internet or telephone.

If your vote is not received, you may be contacted by representatives of the Existing Funds, employees or agents of the Adviser, representatives of other financial intermediaries, or our proxy solicitor, and reminded to vote your shares.

By Order of the Board of Trustees of Listed Funds Trust

WHEREAS, the parties hereto intend for each Acquiring Fund and its corresponding Target Fund (as set forth in Exhibit A hereto) to enter into a transaction pursuant to which: (i) the Acquiring Fund will acquire all of the Assets (as defined in Section 1.2(b)) in exchange solely for (a) shares of the Acquiring Fund (“Acquiring Fund Shares”), the value of which shall be determined as of the Valuation Time (as defined in Section 2.1(e), and (b) assumption of all of the Liabilities (as defined in Section 1.2(c)) of the corresponding Target Fund by the Acquiring Fund, and (ii) the Target Fund will distribute such Acquiring Fund Shares to shareholders in respect of their shares of the Target Fund, in connection with the complete liquidation of the Target Fund, all upon the terms and conditions hereinafter set forth in this Agreement (each such transaction, a “Reorganization”);

WHEREAS, each Acquiring Fund is a “shell” series of the Acquiring Trust created for the purpose of acquiring the Assets and assuming the Liabilities of its corresponding Target Fund;

WHEREAS, the Acquiring Trust and the Target Trust each is an open-end management investment company registered with the U.S. Securities and Exchange Commission (the “Commission”); and

WHEREAS, each Target Fund and each Acquiring Fund intends (i) this Agreement to be, and adopt it as, a plan of reorganization with respect to their respective Reorganization within the meaning of Section 368(a)(1) of the United States Internal Revenue Code of 1986, as amended (the “Code”), and Section 1.368-2(g) of the U.S. Treasury regulations promulgated under the Code (the “Treasury Regulations”), and (ii) that for United States federal income tax purposes each Reorganization contemplated by this Agreement constitutes a “reorganization” within the meaning of Section 368(a)(1)(F) of the Code.

NOW, THEREFORE, in consideration of the premises and of the covenants and agreements hereinafter set forth, and intending to be legally bound, the parties hereto covenant and agree as follows:

1. DESCRIPTION OF EACH REORGANIZATION

1.1 It is the intention of the parties hereto that each Reorganization described herein shall be conducted separately from the other, and a party that is not a party to a Reorganization shall incur no obligations, duties or liabilities with respect to such Reorganization by reason of being a party to this Agreement.

1.2 The Acquiring Trust and the Target Trust agree to take the following steps with respect to each Reorganization:

(a) The Target Fund shall transfer all of its Assets, as defined in Section 1.2(b), to the Acquiring Fund, and the Acquiring Fund in exchange therefor shall assume all of the Liabilities, as defined in Section 1.2(c), and deliver to the Target Fund the number of Acquiring Fund Shares determined in the manner set forth in Section 2.

(b) The assets of the Target Fund to be transferred to the Acquiring Fund shall consist of all assets, property, and goodwill including, without limitation, all cash, securities, commodities and futures interests, claims (whether absolute or contingent, known or unknown, accrued or unaccrued and including, without limitation, any interest in pending or future legal claims in connection with past or present portfolio holdings, whether in the form of class action claims, opt-out or other direct litigation claims, or regulator or government-established investor recovery fund claims, and any and all resulting recoveries) and dividends or interest receivable that are owned by the Target Fund and any deferred or prepaid expenses shown as an asset on the books of the Target Fund on the Valuation Date (as defined in Section 2.1(f)) (collectively, “Assets”).

(c) The Target Fund will endeavor to discharge all of its liabilities and obligations prior to the Closing Date (as defined in Section 3.1). The Acquiring Fund shall assume all of the liabilities of the Target Fund, whether accrued or contingent, known or unknown, existing at the Valuation Time (as defined in Section 2.1(e)), other than liabilities arising under this Agreement (collectively, “Liabilities”).

(d) As soon as reasonably practicable after the Closing (as defined in Section 3.1), the Target Fund will distribute to its shareholders of record (“Target Fund Shareholders”) the Acquiring Fund Shares, respectively, received by the Target Fund pursuant to Section 1.2(a) on a pro rata basis, and the Target Fund will as promptly as practicable thereafter completely liquidate and dissolve. Such distribution, with respect to the Target Fund’s shares, and complete liquidation will be accomplished by the transfer of the Acquiring Fund Shares then credited to the account of the Target Fund on the books of the Acquiring Fund to open accounts on the share records of the Acquiring Fund in the names of the Target Fund Shareholders. At the Closing, any outstanding certificates representing shares of the Target Fund will be cancelled. The Acquiring Fund shall not issue certificates representing shares in connection with such exchange, irrespective of whether Target Fund Shareholders hold their Target Fund shares in certificated form.

(e) Ownership of Acquiring Fund Shares will be shown on its books, as such are maintained by the Acquiring Fund’s transfer agent.

(f) All books and records relating to the Target Fund, or copies thereof, including all books and records required to be maintained under the Investment Company Act of 1940, as amended (the “1940 Act”), and the rules and regulations thereunder, shall be turned over to the Acquiring Fund as soon as practicable after the Closing Date and copies of all such books and records maintained by the Target Fund’s adviser, administrator, custodian, distributor or fund accountant shall be turned over to the Acquiring Fund or its agents as soon as practicable following the Closing Date.

(g) The Target Trust and the Target Fund acknowledge that the Acquiring Trust, the Acquiring Fund and the Adviser intend to treat, and do not and will not object to the Acquiring Trust, the Acquiring Fund and the Adviser treating, the performance record of the Target Fund as the performance record of the Acquiring Fund for any purpose, including the rules and regulations of the Commission and the Financial Industry Regulatory Authority (“FINRA”). In this regard, the parties acknowledge that the investment performance history of the Target Fund will be transferred to the Acquiring Fund at the Closing Date. The Target Trust, on behalf of the Target Fund, represents and warrants to the Acquiring Fund that the investment performance history of the Target Fund is accurate in all material respects and has been calculated in accordance with applicable law.

2. VALUATION

2.1. With respect to each Reorganization:

(a) The net value of the Target Fund’s Assets to be acquired by the Acquiring Fund hereunder shall be computed as of the Valuation Time (as defined in Section 2.1(e)) by calculating the value of the Assets, which shall reflect the declaration of any dividends, and subtracting therefrom the amount of the Liabilities, using the valuation procedures established by the Acquiring Trust’s board of trustees (“Acquiring Fund Valuation Procedures”). On the Valuation Date, the Target Fund shall record the value of the Assets, as valued pursuant to this Section 2.1(a), on a valuation report (the “Valuation Report”) and deliver a copy of the Valuation Report to the Acquiring Fund by 7:00 p.m. (Eastern time) on the Valuation Date, or as soon as practicable thereafter.

(b) The number of Acquiring Fund Shares issued by the Acquiring Fund in exchange for the Target Fund’s Assets shall equal the number of shares of the Target Fund outstanding as of the Valuation Time.

(c) The net asset value per share of the Acquiring Fund Shares issued in connection with the Reorganization shall be determined to the nearest full cent as of the Valuation Time, by dividing the net value of the Target Fund’s Assets (described in Section 2.1(a)) by the number of Acquiring Fund Shares issued in connection with the Reorganization (described in Section 2.1(b)).

(d) All computations of value shall be made by the Acquiring Fund’s administrator using the Acquiring Fund Valuation Procedures and shall be subject to review by the Target Fund’s administrator and, if requested by either the Target Trust or the Acquiring Trust, by the independent registered public accountant of the requesting party at the expense of the requesting party. The Target Trust and the Acquiring Trust agree to use commercially reasonable and good faith efforts to cause their respective administrators and investment advisers to work together to

resolve before the Closing Date any material differences identified between the valuations of the portfolio assets of the Target Fund determined using the Acquiring Fund's valuation procedures as compared to the prices of the same portfolio assets determined using the Target Fund's valuation procedures.

(e) "Valuation Time" shall mean immediately after the close of regular trading on the New York Stock Exchange ("NYSE") on the Valuation Date.

(f) "Valuation Date" shall mean the business day immediately preceding the Closing Date.

3. CLOSING AND CLOSING DATE

3.1. Each Reorganization shall close on [____] or such other date as the parties may agree (the "Closing Date"). All acts taking place at the closing of each Reorganization ("Closing") shall be deemed to take place simultaneously as of immediately prior to the opening of regular trading on the NYSE on the Closing Date unless otherwise agreed to by the parties (the "Closing Time"). The Closing of each Reorganization may be held in person, by facsimile, email or such other communication means as the parties may agree.

3.2. With respect to each Reorganization:

(a) The Target Fund's Assets that are represented by a certificate or other written instrument shall be transferred and delivered by the Target Fund as of the Closing Date to the Acquiring Fund's custodian (the "Acquiring Custodian") for the account of the Acquiring Fund duly endorsed in proper form for transfer and in such condition as to constitute good delivery thereof. The Target Trust shall direct the Target Fund's custodian (the "Target Custodian") to deliver to the Acquiring Custodian as of the Closing Date by book entry, in accordance with customary practices of the Target Custodian and any securities depository (as defined in Rule 17f-4 under 1940 Act) in which the Assets are deposited, the Target Fund's Assets so held. The cash to be transferred by the Target Fund shall be delivered to the Acquiring Custodian by wire transfer of federal funds or other appropriate means on the Closing Date. If the Target Fund is unable to make such delivery on the Closing Date in the manner contemplated by this Section for the reason that any of such Assets purchased prior to the Closing Date have not yet been delivered to the Target Fund or its broker, then the Acquiring Fund may, in its sole discretion, waive the delivery requirements of this Section with respect to said undelivered Assets if the Target Fund has, by or on the Closing Date, delivered to the Acquiring Fund or the Acquiring Custodian executed copies of an agreement of assignment and escrow and due bills executed on behalf of said broker or brokers, together with such other documents as may be required by the Acquiring Fund or the Acquiring Custodian, such as brokers' confirmation slips.

(b) The Target Trust shall direct the Target Custodian to deliver, at the Closing or promptly thereafter, a certificate of an authorized officer stating that, except as permitted by Section 3.2(a), the Assets have been delivered in proper form to the Acquiring Fund no later than the Closing Time on the Closing Date. The custodian of the Acquiring Fund shall deliver to Target Trust, on behalf of the Target Fund, at Closing or promptly thereafter, a certificate of an authorized officer stating that the Assets of the Target Fund have been received by the Acquiring Fund in proper form. The Target Fund shall be responsible for paying all necessary taxes in connection with the delivery of the Assets, including, but not limited to, all capital gains taxes

and all applicable Federal, state and foreign stock transfer stamps, if any, and shall deliver, at the Closing or promptly thereafter, a certificate of an authorized officer of the Target Trust stating that all such taxes have been paid or provision for payment has been made.

(c) At such time prior to the Closing Date as the parties mutually agree, the Target Fund shall provide (i) instructions and related information to the Acquiring Fund or its transfer agent with respect to the Target Fund Shareholders, including names, addresses, dividend reinvestment elections and tax withholding status of the Target Fund Shareholders as of the date agreed upon (such information to be updated as of the Closing Date, as necessary) and (ii) the information and documentation maintained by the Target Fund or its agents relating to the identification and verification of the Target Fund Shareholders under the USA PATRIOT ACT and other applicable anti-money laundering laws, rules and regulations and such other information as the Acquiring Fund may reasonably request.

(d) The Target Trust shall direct the transfer agent for the Target Fund (the “Target Transfer Agent”) to deliver to the Acquiring Fund at the Closing a certificate of an authorized officer stating that its records, as provided to the Acquiring Trust, contain the names and addresses of the Target Fund Shareholders and the number of outstanding shares owned by each such shareholder immediately prior to the Closing. The Acquiring Fund shall cause to be issued and delivered to the Target Fund a confirmation evidencing the Acquiring Fund Shares to be credited on the Closing Date, or provide other evidence reasonably satisfactory to the Target Trust that such Acquiring Fund Shares have been credited to the Target Fund Shareholders’ accounts on the books of the Acquiring Fund. At the Closing, each party shall deliver to the other such bills of sale, checks, assignments, certificates, if any, receipts or other documents as such other party or its counsel may reasonably request.

(e) In the event that on the Valuation Date or the Closing Date (i) the NYSE or another primary trading market for portfolio securities of the Target Fund (each, an “Exchange”) shall be closed to trading or trading thereupon shall be restricted, or (ii) trading or the reporting of trading on such Exchange or elsewhere shall be disrupted so that, in the judgment of the board of trustees of the Acquiring Trust or the Target Trust or the authorized officers of either of such entities, accurate appraisal of the value of the net assets of the Target Fund is impracticable, the Closing Date shall be postponed until the first business day after the day when trading shall have been fully resumed and reporting shall have been restored, or on such later date as agreed to by the Target Fund and Acquiring Fund.

4. REPRESENTATIONS AND WARRANTIES

4.1 The Target Trust, on behalf of itself or, where applicable, each Target Fund, represents and warrants to the Acquiring Trust and each Target Fund’s corresponding Acquiring Fund as follows:

(a) Due Formation, Valid Existence and Good Standing. The Target Fund is duly organized as a series of the Target Trust, which is a statutory trust duly formed, validly existing and in good standing under the laws of the State of Delaware with power under its agreement and declaration of trust and by-laws, as each may have been amended from time to time and are currently in effect (“Target Trust Governing Documents”), to own all of its Assets, to carry on its business as it is now being conducted and to enter into this Agreement and perform its obligations hereunder;

(b) Effective 1940 Act and 1933 Act Registrations. The Target Trust is a registered investment company classified as a management company of the open-end type, and its registration with the Commission as an investment company under the 1940 Act, and the registration of the issued and outstanding shares of the Target Fund under the Securities Act of 1933, as amended (“1933 Act”), are in full force and effect;

(c) No Consent or Approval Required. No consent, approval, authorization, or order of any court or governmental authority or FINRA is required for the consummation by the Target Fund and the Target Trust of the transactions contemplated herein, except such as have been obtained or will be obtained at or prior to the Closing Date under the 1933 Act, the Securities Exchange Act of 1934, as amended (“1934 Act”), the 1940 Act and state securities laws;

(d) Registration Statement Compliance. The current prospectus and statement of additional information of the Target Fund included in the Target Fund’s registration statement on Form N-1A (respectively, the “Prospectus” and “Statement of Additional Information”) and each prospectus and statement of additional information of the Target Fund used at all times between the commencement of operations of the Target Fund and the date of this Agreement conforms or conformed at the time of its use in all material respects to the applicable requirements of the 1933 Act and the 1940 Act and the rules and regulations of the Commission thereunder and does not or did not at the time of its use include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not materially misleading;

(e) Investment Activity Compliance. The Target Fund is in compliance in all material respects with the applicable investment policies and restrictions set forth in the Target Fund’s prospectus and statement of additional information;

(f) Good Title. Except as otherwise disclosed to and accepted by or on behalf of the Acquiring Fund, the Target Fund will on the Closing Date have good title to the Assets and full right, power, and authority to sell, assign, transfer and deliver such Assets free of adverse claims, including any liens or other encumbrances, and upon delivery and payment for such Assets, the Acquiring Fund will acquire good title thereto, free of adverse claims and subject to no restrictions on the full transfer thereof, including, without limitation, such restrictions as might arise under the 1933 Act, provided that, if disclosed in writing to the Acquiring Fund, the Acquiring Fund will acquire Assets that are segregated as collateral for the Target Fund’s derivative positions, if any, including without limitation, as collateral for swap positions and as margin for futures positions, if any, subject to such segregation and liens that apply to such Assets;

(g) No Violation or Acceleration. The Target Fund is not engaged currently, and the execution, delivery and performance of this Agreement will not result, in (i) a violation of the Target Trust’s Governing Documents or a material violation of any material agreement, indenture, instrument, contract, lease or other undertaking to which the Target Fund or the Target Trust is a party or by which it is bound, or (ii) the acceleration of any material obligation, or the imposition of any material lien, encumbrance, penalty, or additional fee under any agreement, indenture, instrument, contract, lease, judgment or decree to which the Target Fund or the Target Trust is a party or by which it is bound;

(h) No Litigation. Except as otherwise disclosed in writing to and accepted by or on behalf of the Acquiring Trust, no litigation or administrative proceeding or investigation of or before any court, tribunal, arbitrator, governmental body or FINRA is presently pending or, to the Target Trust's knowledge, threatened against the Target Trust or the Target Fund that, if adversely determined, would materially and adversely affect the Target Trust's or the Target Fund's financial condition, the conduct of its business or its ability to consummate the transactions contemplated by this Agreement. The Target Trust, without any special investigation or inquiry, knows of no facts that might form the basis for the institution of such litigation, proceedings or investigations, and neither the Target Trust nor the Target Fund is a party to or subject to the provisions of any order, decree or judgment of any court, tribunal, arbitrator, governmental body or FINRA that materially and adversely affects its business or its ability to consummate the transactions herein contemplated;

(i) Financial Statements. The financial statements of the Target Fund for the Target Fund's most recently completed fiscal year have been audited by an independent registered public accounting firm, which is identified in the Target Fund's Prospectus or Statement of Additional Information. Such statements, as well as the unaudited, semi-annual financial statements for the semi-annual period next succeeding the Target Fund's most recently completed fiscal year, if any, were prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") consistently applied, and such statements present fairly, in all material respects, the financial condition of the Target Fund as of such date(s) in accordance with GAAP, and there are no known contingent liabilities of the Target Fund required to be reflected on a balance sheet (including the notes thereto) in accordance with GAAP as of such date(s) not disclosed therein;

(j) No Material Adverse Change in Financial Condition. Since the last day of either (i) the fiscal year covered by the Target Fund's most recent annual report to shareholders, or (ii) the fiscal half-year covered by the Target Fund's most recent semi-annual report to shareholders, whichever is more recent, there has not been any material adverse change in the Target Fund's financial condition, assets, liabilities or business, other than changes occurring in the ordinary course of business;

(k) Due Authorization, Valid Issuance and Non-Assessability of Shares. All issued and outstanding shares of the Target Fund are, and on the Closing Date will be, duly authorized and validly issued and outstanding, fully paid and non-assessable by the Target Trust and, in every state where offered or sold, such offers and sales have been in compliance in all material respects with applicable registration and/or notice requirements of the 1933 Act and state and District of Columbia securities laws;

(l) Authority and Enforceability. The execution, delivery and performance of this Agreement will have been duly authorized prior to the Closing Date by all necessary action, if any, on the part of the board of trustees of the Target Trust, on behalf of the Target Fund, and subject to the approval of the shareholders of the Target Fund and the due authorization, execution and delivery of this Agreement by the other parties hereto, this Agreement will constitute a valid and binding obligation of the Target Fund, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights and to general equity principles;

(m) Information for Use in Proxy Statement. With respect to each Reorganization, within a timeframe mutually agreeable to the parties, the Target Fund will provide the Acquiring Fund with such information relating to the Target Fund as is reasonably necessary for the Acquiring Fund to prepare a proxy statement in connection with the Reorganization and with respect to the votes of the shareholders of the Target Fund to approve the Reorganization and such other matters to which as the parties may agree (the “Proxy Statement”) and such information, as of the date provided through the date of the meeting of shareholders of the Target Fund, will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which such statements were made, not misleading, provided, however, that the representations and warranties in this paragraph shall not apply to statements in or omissions from the Proxy Statement made in reliance upon and in conformity with information that was furnished by the Acquiring Trust for use therein, or the omission or revision by the Acquiring Fund of information provided by the Target Fund;

(n) Books and Records. The books and records of the Target Fund are true and correct in all material respects and contain no material omissions with respect to information required to be maintained under the laws, rules and regulations applicable to the Target Fund;

(o) Material Contracts and Commitments. Except as otherwise disclosed in writing to and accepted by or on behalf of the Acquiring Fund, the Target Fund has no material contracts or other commitments (other than this Agreement) that will be terminated with liability to it prior to the Closing Date;

(p) No Other Distribution of Acquiring Fund Shares. The Acquiring Fund Shares to be issued pursuant to the terms of this Agreement are not being acquired by the Target Fund for the purpose of making any distribution thereof, other than in accordance with the terms of this Agreement;

(q) Insurance. The Target Trust will maintain directors and officers/errors and omissions insurance providing liability coverage to any former and/or current directors and officers of the Target Trust as of the date of this Agreement, covering the actions of such directors and officers of the Target Trust prior to the Reorganization for the period(s) they served as such.

(r) Tax Returns. On the Closing Date, all Returns (as defined below) of the Target Fund required by law to have been filed by such date (including any extensions) shall have been filed and are or will be true, correct and complete in all material respects, and all Taxes (as defined below) shown as due or claimed to be due by any government entity shall have been paid or provision has been made for the payment thereof. To the Target Trust’s knowledge, no such Return is currently under audit by any Federal, state, local or foreign Tax authority; no assessment has been asserted with respect to such Returns; there are no levies, liens or other encumbrances on the Target Fund or its assets resulting from the non-payment of any Taxes; no waivers of the time to assess any such Taxes are outstanding nor are any written requests for such waivers pending; the Target Fund is not liable for taxes of any person other than itself (excluding in its capacity as withholding agent) and is not a party to any tax sharing or allocation agreement; and adequate provision has been made in the Target Fund’s financial statements for all Taxes in respect of all periods ended on or before the date of such financial statements. As used in this Agreement, “Tax” or “Taxes” means any tax, governmental fee or other like assessment or charge

The Target Fund has not taken any action, caused any action to be taken or caused any action to fail to be taken which action or failure could cause the Target Fund to fail to qualify as a regulated investment company under the Code. The consummation of the transactions contemplated by the Agreement will not cause the Target Fund to fail to be qualified as a regulated investment company as of the Closing Date. The Target Fund has no earnings or profits accumulated in any taxable year in which the provisions of Subchapter M of the Code did not apply to it. The Target Fund has been eligible to and has computed its federal income tax under Section 852 of the Code, and has not been, and will not be, liable for any material income or excise tax under Section 852 or 4982 of the Code with respect to any taxable year or calendar year ending before the Closing Date;

dividends and other distributions and paid to the proper taxing authorities all taxes required to be withheld, and is not liable for any penalties which could be imposed thereunder;

(x) No Corporate-Level Taxation. The Target Fund will not be subject to corporate-level taxation on the sale of any assets currently held by it as a result of the application of Section 337(d) of the Code and the Treasury Regulations thereunder;

(y) Fiscal Year End. The Target Fund has maintained since formation its December 31 fiscal year end for U.S. federal income tax purposes, and has never changed its December 31 fiscal year end for U.S. federal income tax purposes, by for example, filing Internal Revenue Service Form 1128 “Application to Adopt, Change, or retain a Tax Year”; and

(f) No Violation or Acceleration. The Acquiring Fund is not engaged currently, and the execution, delivery and performance of this Agreement will not result, in (i) a violation of the Acquiring Trust Governing Documents or a material violation of any material agreement, indenture, instrument, contract, lease or other undertaking to which the Acquiring Fund or the Acquiring Trust is a party or by which it is bound, or (ii) the acceleration of any material obligation, or the imposition of any material lien, encumbrance, penalty, or additional fee under any agreement, indenture, instrument, contract, lease, judgment or decree to which the Acquiring Fund or the Acquiring Trust is a party or by which it is bound;

(g) No Litigation. Except as otherwise disclosed in writing to and accepted by or on behalf of the Target Fund, no litigation or administrative proceeding or investigation of or before any court, tribunal, arbitrator, governmental body or FINRA is presently pending or, to the Acquiring Trust's knowledge, threatened against the Acquiring Trust or the Acquiring Fund that, if adversely determined, would materially and adversely affect the Acquiring Trust's or the Acquiring Fund's financial condition, the conduct of its business or its ability to consummate the transactions contemplated by this Agreement. The Acquiring Fund and the Acquiring Trust, without any special investigation or inquiry, know of no facts that might form the basis for the institution of such litigation, proceedings or investigation and neither the Acquiring Trust nor the Acquiring Fund is a party to or subject to the provisions of any order, decree or judgment of any court, tribunal, arbitrator, governmental body or FINRA that materially and adversely affects its business or its ability to consummate the transactions herein contemplated;

(h) All Actions Taken. By the Closing, the Acquiring Trust's board of trustees and officers shall have taken all actions as are necessary under the 1933 Act, 1934 Act, 1940 Act and any applicable state securities laws for the Acquiring Fund to commence operations as a registered open-end management investment company, including, without limitation, approving and authorizing the execution of investment advisory contracts in the manner required by the 1940 Act and approving and authorizing the execution of such other contracts as are necessary for the operation of the Acquiring Fund;

In rendering such opinion, Thompson Hine LLP may request and rely upon such representations and certifications contained in the Acquiring Trust Tax Representation Certificate and the Target Trust Tax Representation Certificate and representations and certifications of others as it may reasonably request, and the officers of the Target Trust and the Acquiring Trust will cooperate to make and certify the accuracy of such representations contained in the Acquiring Trust Tax Representation Certificate and the Target Trust Tax Representation Certificate. The foregoing opinion may contain such assumptions and limitations as shall be in the opinion of such counsel appropriate to render the opinions expressed therein. The foregoing opinion may state that no opinion is expressed as to: (i) whether either the Target Fund or the Acquiring Fund qualifies or will qualify as a regulated investment company; (ii) the federal income tax consequences of the payment of Reorganization expenses by the Adviser, except in relation to the qualification of the Reorganization as a reorganization under Section 368(a) of the Code; (iii) whether any federal income tax will be imposed or required to be withheld under the Foreign Investment in Real Property Tax Act of 1980 with respect to any Target Fund shareholder that is a foreign person; (iv) the effect of the Reorganization on the Target Fund with respect to any transferred asset as to which unrealized gain or loss is required to be recognized for federal income tax purposes under a mark-to-market system of accounting (including under Section 1256 of the Code); (iv) the effect of the Reorganization on any shareholder of the Target Fund that is required to recognize unrealized gains or losses for federal income tax purposes under a mark-to-market system of accounting; (vi) whether accrued market discount, if any, on any market discount bonds held by the Target Fund will be required to be recognized as ordinary income under Section 1276 of the Code as a result of the Reorganization; (vii) whether any gain or loss will be required to be recognized with respect to any Asset that constitutes stock in a passive foreign investment company (within the meaning of Section 1297(a) of the Code); and (viii) any state, local or foreign tax consequences of the Reorganization. Notwithstanding anything herein to the contrary, neither the Target Fund nor the Acquiring Fund may waive the condition set forth in this Section 8.5.

9. FEES AND EXPENSES

9.1. The parties hereto represent and warrant to each other that there are no brokers or finders entitled to receive any payments in connection with the transactions provided for herein.

9.2. The expenses relating to the proposed Reorganizations, whether or not consummated, which are incurred by the Target Trust, the Target Funds, the Acquiring Trust, and the Acquiring Funds, will be borne and paid by the Adviser. Notwithstanding the foregoing, the party directly incurring any costs and expenses will bear such costs and expenses if and to the extent that payment by another party would result in any Acquiring Fund failing to qualify and be eligible for treatment as a regulated investment company under Sections 851 and 852 of the Code or would prevent the Reorganizations from qualifying as reorganizations within the meaning of Section 368(a) of the Code or otherwise result in the imposition of tax on either the Target Funds or the Acquiring Funds or any of their respective shareholders.

10. COOPERATION AND EXCHANGE OF INFORMATION

With respect to each Reorganization, prior to the Closing and for a reasonable time thereafter, the Target Trust and the Acquiring Trust will provide each other and their respective representatives with such cooperation, assistance and information as is reasonably necessary (i) for the filing of any Tax Return, for the preparation for any audit, and for the prosecution or defense of any claim, suit or proceeding relating to any proposed adjustment, or (ii) for any financial accounting purpose. Each such party or their respective agents will retain until the applicable period for assessment under applicable law (giving effect to any and all extensions or waivers) has expired all returns, schedules and work papers and all material records or other documents relating to Tax matters and financial reporting of tax positions of the Target Fund and the Acquiring Fund for its taxable period first ending after the Closing of the Reorganization and for all prior taxable periods for which the statute of limitation had not run at the time of the Closing, provided that the Target Trust shall not be required to maintain any such documents that it has delivered to the Acquiring Fund.

If applicable, the Acquiring Fund shall receive certificates following the Closing, promptly upon reasonable request, from the principal executive officer and principal financial officer, or persons performing similar functions, of the Target Trust to the effect that such principal executive officer and principal financial officer, or persons performing similar functions, of the Target Trust have concluded that, based on their evaluation of the effectiveness of the Target Trust's disclosure controls and procedures (as defined in Rule 30a-3(c) under the 1940 Act), to the best of their knowledge, the design and operation of such procedures were effective to provide reasonable assurance regarding the reliability of information provided by the Target Trust to the Acquiring Trust with respect to the Target Fund's operations prior to the Closing that is required to be disclosed by the Acquiring Trust on Forms N-CSR or any forms adopted by the Commission in replacement of Forms N-CSR.

11. ENTIRE AGREEMENT; SURVIVAL OF REPRESENTATIONS, WARRANTIES AND COVENANTS

11.1. Except as described in a separate confidentiality agreement between the Acquiring Trust and the Target Trust, each party agrees that no party has made any representation, warranty or covenant not set forth herein and that this Agreement constitutes the entire agreement between the parties.

11.2. The representations, warranties and covenants contained in this Agreement or in any document delivered pursuant hereto or in connection herewith shall survive the consummation of the transactions contemplated hereunder. The covenants to be performed after the Closing shall survive the Closing.

12. TERMINATION

This Agreement may be terminated and the transactions contemplated hereby may be abandoned (i) by mutual agreement of the Acquiring Trust and the Target Trust; (ii) by either the Acquiring Trust or the Target Trust if one or more other parties shall have materially breached its obligations under this Agreement or made a material misrepresentation herein or in connection herewith; (iii) by the Acquiring Trust if any condition precedent to its obligations set forth herein has not been fulfilled or waived by the Acquiring Trust; (iv) by the Target Trust if any condition precedent to its obligations set forth herein has not been fulfilled or waived by the Target Trust; or (v) by either the Acquiring Trust or the Target Trust if a determination is made by such trust's board of trustees that the consummation of the transactions

contemplated herein are not in the best interest of the Acquiring Trust or the Target Trust, respectively. In the event of any such termination, this Agreement shall become void and there shall be no liability hereunder on the part of any party or their respective directors/trustees or officers, except for (i) any such material breach or intentional misrepresentation or (ii) the parties' respective obligations under Section 9, as to each of which all remedies at law or in equity of the party adversely affected shall survive.

13. AMENDMENTS

This Agreement may be amended, modified or supplemented in a writing signed by the parties hereto to be bound by such Amendment.

14. MISCELLANEOUS

14.1. The Article and Section headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

14.2. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware and applicable Federal law, without regard to its principles of conflicts of laws.

14.3. This Agreement shall bind and inure to the benefit of the parties hereto and their respective successors and assigns, but no assignment or transfer hereof or of any rights or obligations hereunder shall be made by any party without the written consent of the other parties. Nothing herein expressed or implied is intended or shall be construed to confer upon or give any person, firm or corporation, other than the parties hereto and their respective successors and assigns, any rights or remedies under or by reason of this Agreement.

14.4. This Agreement may be executed in any number of counterparts, each of which shall be considered an original.

14.5. It is expressly agreed that the obligations of the parties hereunder shall not be binding upon any of their respective directors or trustees, shareholders, nominees, officers, agents, or employees personally, but shall bind only the property of (i) each Target Fund or its corresponding Acquiring Fund, as applicable, as provided in the Target Trust Governing Documents and the Acquiring Trust Governing Documents and (ii) the other parties. The execution and delivery by such officers shall not be deemed to have been made by any of them individually or to impose any liability on any of them personally, but shall bind only the property of such party.

14.6. Any public announcements or similar publicity with respect to this Agreement or the transactions contemplated herein will be made at such time and in such manner as the parties mutually shall agree in writing, provided that nothing herein shall prevent either party from making such public announcements as may be required by applicable law, as determined by the disclosing party on the advice of counsel, in which case the party issuing such statement or communication shall advise the other parties prior to such issuance.

14.7. Whenever possible, each provision and term of this Agreement shall be interpreted in a manner to be effective and valid, but if any provision or term of this Agreement is held to be prohibited by law or invalid, then such provision or term shall be ineffective only in the jurisdiction or jurisdictions so holding and only to the extent of such prohibition or invalidity,

without invalidating or affecting in any manner whatsoever the remainder of such provision or term or the remaining provisions or terms of this Agreement.

14.8. A facsimile or electronic (e.g., PDF) signature of an authorized officer of a party hereto on this Agreement and/or any transfer or closing document shall have the same effect as if executed in the original by such officer.

14.9. Notwithstanding any other provision of this Agreement, the requirement to deliver a certificate at Closing may be waived by the party to which it is required to be delivered.

14.10 A copy of the Declaration of Trust of the Acquiring Trust is on file with the Secretary of the State of Delaware, and notice is hereby given that no trustee, officer, agent or employee of the Acquiring Trust shall have any personal liability under this Agreement, and that insofar as it relates to any Acquiring Fund, this Agreement is binding only upon the assets and properties of such Acquiring Fund.

Schedule 8.5

Tax Opinions

With respect to each Reorganization for U.S. federal income tax purposes:

- i. The Acquiring Fund's acquisition of the Assets in exchange solely for the Acquiring Fund Shares and its assumption of the Liabilities of the Target Fund, followed by the Target Fund's distribution of the Acquiring Fund Shares pro rata to the Target Fund shareholders actually or constructively in exchange for their Target Fund shares in complete liquidation of the Target Fund, will qualify as a "reorganization" within the meaning of Section 368(a)(1)(F) of the Code, and the Target Fund and the Acquiring Fund each will be a "party to a reorganization" within the meaning of Section 368(b) of the Code.
- ii. Under Sections 361 and 357(a) of the Code, no gain or loss will be recognized by the Target Fund upon the transfer of the Target Fund's Assets to the Acquiring Fund solely in exchange for the Acquiring Fund Shares and the assumption by the Acquiring Fund of the Liabilities of the Target Fund or upon the distribution (whether actual or constructive) of the Acquiring Fund Shares to the Target Fund shareholders in exchange for their Target Fund shares.
- iii. Under Section 1032(a) of the Code, no gain or loss will be recognized by the Acquiring Fund upon the receipt of the Assets solely in exchange for the Acquiring Fund Shares and the Acquiring Fund's assumption of the Liabilities of the Target Fund.
- iv. Under Section 362(b) of the Code, the adjusted basis in each of the Target Fund's Assets acquired by the Acquiring Fund will be the same as the adjusted basis of such Assets to the Target Fund immediately prior to the Reorganization.
- v. Under Section 1223(2) of the Code, the holding period of each of the Assets of the Target Fund in the hands of the Acquiring Fund will include the period during which those assets were held by the Target Fund (except where the Acquiring Fund's investment activities have the effect of reducing or eliminating an Asset's holding period).
- vi. Under Section 354(a)(1) of the Code, no gain or loss will be recognized by the Target Fund shareholders upon the exchange of their Target Fund shares for the Acquiring Fund Shares in complete liquidation of the Target Fund pursuant to the Reorganization.
- vii. Under Section 358(a)(1) of the Code, the aggregate adjusted basis of the Acquiring Fund Shares received by each Target Fund shareholder pursuant to the Reorganization will be the same as the aggregate adjusted basis of the Target Fund shares held by such shareholder immediately prior to the Reorganization.
- viii. Under Section 1223(1) of the Code, the holding period of the Acquiring Fund Shares received by each Target Fund shareholder in the Reorganization will include the period during which the Target Fund shares exchanged therefor were held by such shareholder (provided the Target Fund shares were held as capital assets on the date of the Reorganization).

- ix. The Acquiring Fund will succeed to and take into account the items of the Target Fund described in Section 381(c) of the Code, subject to the conditions and limitations specified in Sections 381, 382, 383 and 384 of the Code and the Treasury Regulations thereunder. In particular, under Treasury Regulation § 1.381(b)-1(a)(2), the Acquiring Fund will be treated for purposes of section 381 of the Code just as the Target Fund would have been treated if there had been no Reorganization, the tax attributes of the Target Fund enumerated in Section 381(c) of the Code shall be taken into account by the Acquiring Fund as if there had been no Reorganization, and the taxable year of the Target Fund will not end on the date of the Reorganization merely because of the closing of the Reorganization.
